Dear 

Eleven months ago you were kind enough to arrange an introduction for my associate Madame Marie Galbraith to meet Major General 
 for which we were most grateful.

Our good mutual friend Mrs.  mentioned to me last night that your campaign was successful and you are to be formally made a Senator next Tuesday. Many congratulations and much rejoicing are in order on both sides of the ocean.  and I look forward to personally expressing these wishes in the not too distant future.

Sincerely yours,

Depute-Bourgmestre
Presidente
