
7th October

Dear Dr. Greer,

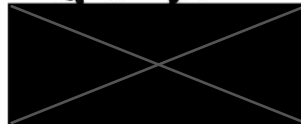

Thank you again for appearing on Larry King's TNT special. The show earned record ratings and our European bureaus are receiving many requests to air it abroad.

I also appreciate the background information you

NND

gave me and the materials
you passed along. Feel free
to phone me when you think
it's appropriate to come on
"Larry King Live" with new
information.

All the best,

PRODUCER

CNN America, Inc.
