Dear Dr Greer,

Thank you for your letter of 16 May inviting me to your meeting next month. I sincerely regret that I shall not be able to attend on those dates.

I should have liked very much indeed to have taken part, because I have been impressed by what you have done, and what you are doing in these important matters. If you have any future events of a similar nature, preferably not quite so far away, I very much hope that you will invite me again.

If there will be any minutes or other written record of the proceedings may I particularly request that you will send me a copy?

With my best wishes for a most successful meeting.

Yours sincerely,
