Kean - lost contact
This is a witness that was assigned to me, and also, I think, to another team member. He is a POC, and my understanding now is that the actual witness to whom he is POC is [REDACTED]

Karl called me a week or so ago. I have not as yet returned his call as

- a) I didn't know what his shooting schedule was, and
- b) He wasn't assigned to me, and I assume(d) that he is being handled by someone else. (SG)
