8 MAY 1957

MEMORANDUM FOR: Assistant to the Director
ATTENTION: Mr. [REDACTED]
SUBJECT: Leon Davidson letter to the DSI

1. Attached is a suggested reply to Mr. Davidson. We have ascertained that the recording in question was forwarded to OSI and found to be three copies of US origin.
2. Arrangements have been made with ATIS for a letter to be sent by them to Mr. Davidson explaining that they have found the report and telling him what the findings were.
3. [REDACTED]

Mr. Leon Davidson
64 Prospect Street
White Plains, New York

Dear Mr. Davidson,

Reference is made to your 21 April 1977 letter addressed to Mr. Dallas. A survey of the intelligence community has resulted in the determination that the tape in question was analyzed by another agency of the government. We believe that you will receive another communication shortly from the Air Force which will answer your query as to the nature of its recording.

Yours truly,

J. Arnold Shaw
Assistant to the Director
