REPORTS OF FOREIGN AIRCRAFT

Re: Strange Air Born Objects

Observed over MITTERTEICH (UTM)

33UUR03

On 10 September 1952, it was noted in the 9 September 1952, Stifflender edition of the Newspaper "Der Neue Tag" published in WEIDEN (UTM) 33UTR90, that an object, described as a flying saucer, was seen over MITTERTEICH, by Simon LOEFFELMANN, Station Master, Railroad Station MITTERTEICH, born 13 August 1898 in MITTERTEICH, and presently residing at Number 3 Garden Street, MITTERTEICH.

On 10 September 1952, the undersigned agent contacted LOEFFELMANN who stated that on 31 August 1952, at 1900 hours, while performing routine duties at the railroad station at MITTERTEICH, LOEFFELMANN observed a disk-shaped object resembling the moon but appearing larger than the moon, descend from out of the clouds. The object was traveling at a terrific rate of speed. At first LOEFFELMANN thought that this object was going to land but during the next few moments it ascended again leaving a glaring trail behind it. LOEFFELMANN stated that the object was glaring brightly. It maneuvered in sight for approximately one-half hour and darted in all directions at a terrific rate of speed. At approximately 2130 hours it disappeared in an easterly direction towards the town of BARNAU (UTM) 33UUR12 and the CS-German border. Above information was substantiated by Frau Anna LOEFFELMANN, born 3 November 1899, in MITTERTEICH, and Anton SCHMAUSS, born 27 August 1923, in MITTERTEICH. Further investigation failed to reveal the names of any other persons having any knowledge of above information.
