

Palace of Monaco
February 4th, 2009.

To whom it may concern,

I have known [REDACTED] since 1993 when we met at the United Nations during his tenure as a delegate of Jamaica.

Apart from being an honest and loyal person, he is a capable diplomat who is a credit to the international arena. He truly belongs in the world of diplomacy.

It is therefore my pleasure to recommend him for the position of Ambassador of Jamaica.

Sincerely,
