Thank you for your letter concerning rumors involving objects of an extra terrestrial nature that may be kept in the "Blue Room" at Wright-Patterson A.F.B.

Quite frankly, with respect to this subject, about which I am not personally familiar, I must defer to the position of Senator Goldwater, Chairman of the Senate Intelligence Committee, when he writes that "this thing has gotten so highly classified...it is just impossible to get anything on it."

Thank you again for your interest.

Sincerely,
