Re: [REDACTED] *Deceased*

Dear Dr Steven or [REDACTED]

I recently found your letter you sent to ([REDACTED]) back in Dec 2000 thanking him for his testimony for the Witness Archive Project and you also sent him a copy of your book. I am [REDACTED]ife and I wanted to let you know that unfortunately, he died of colon cancer in 2007. I have decided to try and **request a copy of his testimony**. Bill told me about taping it and that he had asked you to not release it until he gave you permission or in the case of his death. ***If you can still use his testimony, you now have permission to do so.*** He told me about his experiences but I would really like to see his testimony and of course, to hear his voice again.

I know that the tape is your property and I will not do anything commercial or exploitive with it. It will be for me personally. If you are able to transfer the video to a **DVD**, that would be wonderful!!!

I am very **willing to pay for any expenses this may incur**...just let me know and I will send you a personal check right away. I know you and your Disclosure group are very busy and pressed for time but, I really would appreciate a copy if at all possible.

I have been involved in the UFO phenomena since I saw 2 craft being paced by jets near Tinker AFB, OK in about 1965-66. They were huge mother sized craft and left the jets seemingly hanging in mid air. I also heard you speak many years ago at a MUFON meeting when I lived in Scottsdale Az.

You can check me out by contacting [REDACTED] for references as they have both been personal friends of mine for about 15 years. At least that way, you'll know I am legit and not a wing nut snoop.

Steven and [REDACTED] Thank you for the work you do!!!

Keep Looking Up, [REDACTED]
