Jon Weygandt

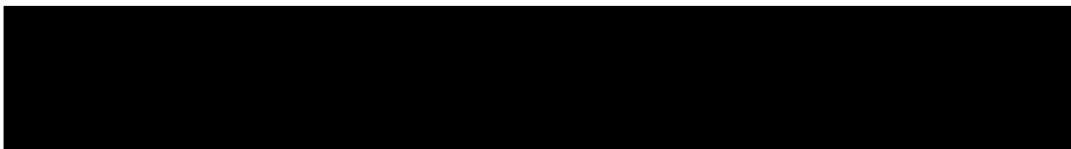

in mannes 4 yrs

ops in Peru - called LaserStrike 4,5,6/97

saw strange aircraft in area

- Sgt in charge of perim security of radar stn.

- thinks black ops were flying strange craft

- out in boomas, hills of Peru

- craft hovered - sound like leaf blower

- guesses they were ant grav

- shape like stretched football

- black

- no visible intakes, or cockpit or landing gear

- didn't touch ground - hovered when landing

- ~6 m long, 2 m wide

- was few meters away from me

- people working on craft were in SV's of 60's

- had no name tags

- Did 8 hr shift each day

- saw the craft when training the Peruvian militia to protect selves from drug lords

- newly Seals & Army Rangers were also there
