Situation Red, The UFO Siegel

Benjamin Chidlaw, then in charge of all our continental air defenses at Ent Air Force Base in Colorado. The letter concerned a plan I had which the Eastern Air Defense considered important to our national defense. Out of courtesy to General Chidlaw, who has since retired, I have withheld until now the vitally important information herewith revealed. In the course of the half hour private interview the General mentioned, among many interesting items, the following, "We have stacks of reports about flying saucers. We take them seriously when you consider we have lost many men and planes trying to intercept them."
