Yes, the matter is of the utmost importance and I am sure we, as a civilization, are running out of time to deal wisely with these issues.

We look forward to seeing you soon in DC and out at our country home! Best always, Steve

Dear [REDACTED], Dear Steven

First, good morning

I just got your letter which is overwhelming, I would say fantastic....and devastating.

I am leaving straightaway my home for a planned "brain storming" with my friend [REDACTED]

The "package " will be given to "whom it may concern" next week as you can suppose !...

As always, best regards

YF
