Subject: Lovekin

COMMENTS: Steve, Per our conversation Lovekin is not doing very well health wise. I am sending you the information that he provided me to send. When he became a general he was suppose to have the swearing in ceremony in Chicago, but was not able to travel to Chicago. The ceremony took place in North Carolina and I was actually in attendance. Please let me know if you need additional information. By the way Ted just called and I told him that I was sending you this information today.
