Hi,

I emailed [REDACTED] after she wrote something on [REDACTED] site about the need for disclosure, inviting her to visit the Disclosure site and this was her answer. Maybe someone should look at the docs she has?

And still no one has come forward regarding the crash at Edwards in 1971 or 1972, only one Airman and when Dr. Greer approached him, he became "scared" and didn't want to come forward...I have his documents, would be glad to share but would cover up his identity. Interested? -lori c.

Hi [REDACTED]

Look at the site: www.disclosureproject.org
 and see what progress has been made.

(Long way to go for sure but strong facts are in place now)
