NATIONAL SECURITY COUNCIL DIRECTIVE

SUBJECT: Unidentified flying objects

Pursuant to the provisions of Section 102 of the National Security Act of 1947 and for the purposes announced in Paragraphs d and e thereof, the National Security Council hereby authorizes and directs that:

1. The Director of Central Intelligence shall formulate and carry out a program of intelligence and research activities as required to solve the problem of instant positive identification of unidentified flying objects.
2. Upon call of the Director of Central Intelligence, Government departments and agencies shall provide assistance in this program of intelligence and research to the extent of their capacity provided, however, that the DCI shall avoid duplication of activities presently directed toward the solution of this problem.
3. This effort shall be coordinated with the military services and the Research and Development Board of the Department of Defense, with the Psychological Strategy Board and other Governmental agencies as appropriate.
4. The Director of Central Intelligence shall disseminate information concerning the program of intelligence and research activities in this field to the various departments and agencies which have authorized interest therein.
