* [REDACTED] VS. THE NEW WORLD ORDER

[The following article was downloaded from the INTERNET...]

Underground Bases: A Lecture by Phil Schneider: May 1995
=====

"I love the country I am living in, more than I love my life, but I would not be standing before you now, risking my life, if I did not believe it was so. The first part of this talk is going to concern deep underground military bases and the black budget. The Black Budget is a secretive budget that garners 25% of the gross national product of the United States. The Black Budget currently consumes \$1.25 trillion per [2] years. At least this amount is used in black programs, like those concerned with deep underground military bases. Presently, there are 129 deep underground military bases in the United States.

"They have been building these 129 bases day and night, unceasingly, since the early 1940's. Some of them were built even earlier than that. These bases are basically large cities underground connected by high-speed magneto-leviton trains that have speeds up to Mach 2. Several books have been written about this activity. Al Bielek has my only copy of one of them. Richard Souder, a Ph.D architect, has risked his life by talking about this. He worked with a number of government agencies on deep underground military bases. In around where you live, in Idaho, there are 11 of them.

"The average depth of these bases is over a mile, and they again are basically whole cities underground. They all are between 2.66 and 4.25 cubic miles in size. They have laser drilling machines that can drill a tunnel seven miles long in one day. The Black Projects sidestep the authority of CONGRESS, which as we know is illegal. Right now, the New World Order is depending on these bases. If I had known at the time I was working on them that the NWO was involved, I would not have done it. I was lied to rather extensively.

::: Development of Military Technology, Implied German Interest in Hyperspatial Technology, and More :::

"Basically, as far as technology is concerned, for every calendar year that transpires, military technology increases about 44.5 years [compared with the increase rate of 'conventional' technology]. This is why it is easy to understand that back in 1943 they were able to create, through the use of vacuum tube technology, a ship that could literally disappear from one place and appear in another place. My father, Otto Oscar Schneider, fought on both sides of the war. He was originally a U-boat captain, and was captured and repatriated in the United States. He was involved with different kinds of concerns, such as the A-bomb, the H-bomb and the Philadelphia Experiment. He invented a high-speed camera that took pictures of the first atomic (Hydrogen or H-Bomb - Branton) tests at Bikini Island on July 12, 1946. I have original photographs of that test, and the photos also show UFO's fleeing the bomb site at a high rate of speed. Bikini Island at the time was infested with them, especially under the water, and the natives had problems with their animals being mutilated. At that time, General MacArthur felt that the next war would be with aliens from other worlds.

"Anyway, my father laid the groundwork with theoreticians about the Philadelphia experiment, as well as other experiments. What does that have to do with me? Nothing, other than the fact that he was my father. I don't agree with what he did on the other side, but I think he had a lot of guts in coming here. He was hated in Germany. There was a \$1 million reward, payable in gold, to anyone who killed him. Obviously, they didn't succeed. Anyway, back to our topic -- deep underground bases.

::: The Fire Fight At Dulce Base :::

"Back in 1954, under the Eisenhower administration, the 'federal' government decided to circumvent the Constitution of the United States and form a treaty with alien entities. *It was called the 1954 Greeda Treaty, which basically made the agreement that the aliens involved could take a few cows and test their implanting techniques on a few human beings, but that they had to give details about the people involved. Slowly, the aliens altered the bargain until they decided they wouldn't abide by it at all. Back in 1979, this was the reality, and the fire-fight at Dulce occurred quite by accident. I was involved in building an ADDITION to the deep underground military base at Dulce, which is probably the deepest base. It goes down seven levels and over 2.5 miles deep. At that particular time, we had drilled four distinct holes in the desert, and we were going to link them together and blow out large sections at a time. My job was to go down the holes and check the rock samples, and recommend the explosive to deal with the particular rock. As I was headed down there, we found ourselves amidst a large cavern that was full of outer-space (or "inner-space"? - Branton) aliens, otherwise known as large Greys. I shot two of them. At that time, there were 30 people down there. About 40 more came down after this started, and all of them got killed. We had surprised a whole underground base of existing aliens. Later, *we found out that they had been living on [in] our planet for a long time... This could explain a lot of what is behind the theory of ancient astronauts.

*(Note: This report seems to reveal a limited 'perspective' on the overall 'Dulce war' conflicts based on the experience of one individual. It appears, however, as if there was much more involved in the overall scenario than what Phil Schneider describes. For instance from Phil's description, it appears as if his team broke-in to the base 'accidentally'. It could be that IN RESPONSE to the captured scientists mentioned by Thomas Edwin Castello and others, the special forces and intel agents intentionally attempted to break-in to the underground alien bases through a "back door" so-to-speak, yet Schneider may have not been aware of this part. Other reports would suggest that the conflict was more complex than this, and involved more than one firefight. According to other sources, the "Dulce Wars" involved AT LEAST a hundred highly-trained special forces. - Branton)

"Anyway, I got shot in the chest with one of their weapons, which was a box on their body, that blew a hole in me and gave me a nasty dose of cobalt radiation. I have had cancer because of that.

"I didn't get really interested in UFO technology until I started work at Area 51, north of Las Vegas. After about two years recuperating after the 1979 incident, I went back to work for

Morrison and Knudson, EG&G and other companies. At Area 51, *they were testing all kinds of peculiar spacecraft. How many people here are familiar with Bob Lazar's story? He was a physicist working at Area 51 trying to decipher the propulsion factor in some of these craft.

:::  Worries About Government Factions, Railroad Cars and Shackle Contracts :::

"Now, I am very worried about the activity of the 'federal' government. They have lied to the public, stonewalled senators, and have refused to tell the truth in regard to alien matters. I can go on and on. I can tell you that I am rather disgruntled. Recently, I knew someone who lived near where I live in Portland, Oregon. He worked at Gunderson Steel Fabrication, where they make railroad cars. Now, I knew this fellow for the better part of 30 years, and he was kind of a quiet type. He came in to see me one day, excited, and

he told me "they're building prisoner cars." He was nervous. [REDACTED] he said, had a contract with the federal government to build 107,200 full length railroad cars, each with 143 pairs of shackles. There are 11 sub-contractors in this giant project. Supposedly, Gunderson got over 2 billion dollars for the contract. Bethlehem Steel and other steel outfits are involved. He showed me one of the cars in the rail yards in North Portland. He was right. If you multiply 107,200 times 143 times 11, you come up with about 15,000,000. This is probably the number of people who disagree with the federal government. No more can you vote any of these people out of office. Our present structure of government is 'technocracy', not democracy, and it is a form of feudalism.

(Note: I would venture to say that it is more like a techno-monarchy, since several of the U.S. presidents have been placed in office with Rockefeller financial and media backing, suggesting that these same presidential hirelings were inclined to favor certain Rockefeller and in turn International banking agendas. Techno-Monarchy would constitute those parts of the Military-Industrial Complex or M.I.C. that are largely influenced by Rockefeller interests. According to various sources, the German immigrant Rockefellers are not the "top of the ladder" for the world conspiracy. True, they 'control' much of the eco-political system in the UNITED STATES of America, however they are following the agenda of the Bildeberger cult: the 13 Wicca Masons, 13 Black Nobility, and 13 Maltese Jesuits who have joined together UNDER the covering of the Bavarian Illuminati -- which in turn is the modern manifestation of the joint human-alien 'serpent cult' which seems to have had its origins within the ancient underground Masonic systems of Egypt, a cult or collaboration that was brought to Bavaria by the early Germanic Trade Guilds during the height of the so-called 'Holy Roman' [German] Empire - Branton).

It [this 'technocracy'] has nothing to do with the republic of the United States. These people are god-less, and have legislated out prayer in public schools. You can get fined up to \$100,000 and two years in prison for praying in school. I believe we can do better. I also believe that the federal government is running the gambit of enslaving the people of the United States. I am not a very good speaker, but I'll keep shooting my mouth off until somebody puts a

bullet in me, because it's worth it to talk to a group like this about these atrocities.

::: America's Black Program Contractors :::

"There are other problems. I have some interesting 1993 figures. There are 29 prototype stealth aircraft presently. The budget from the U.S. Congress five-year plan for these is \$245.6 million. You couldn't buy the spare parts for these black programs for that amount. So, we've been lied to. The black budget is roughly \$1.3 trillion every two years. A trillion is a thousand billion. A trillion dollars weighs 11 tons. The U.S. Congress never sees the books involved with this clandestine pot of gold. Contractors of [these] programs: EG&G, Westinghouse, McDonnell Douglas, Morrison-Knudson, Wackenhut Security Systems, Boeing Aerospace, Lorimar Aerospace, Aerospacial in France, Mitsubishi Industries, Rider Trucks, Bechtel, *I.G. Farben*, plus a host of hundreds more. Is this what we are supposed to be living up to as freedom-loving people? I don't believe so.

::: Star Wars and Apparent Alien Threat :::

* "Still, 68% of the military budget is directly or indirectly affected by the black budget. Star Wars relies heavily upon stealth weaponry. By the way, ~~none of the~~ stealth program would have been available if we had not taken apart crashed alien disks. None of it. Some of you might ask what the "space shuttle" is "shuttling". * Large ingots of special metals that are milled in space and cannot be produced on the surface of the earth. They need the near vacuum of outer space to produce them. We are not even being told anything close to the truth. I believe our government officials have SOLD us down the drain -- lock, stock and barrel. Up until several weeks ago, I was employed by the U.S. government with a Ryolite-38 clearance factor -- one of the highest in the world. * I believe the Star Wars program is there solely to act as a buffer to prevent alien attack -- it has nothing to do with the "cold war", which was only a ploy to garner money from all the people -- for what? The whole lie was planned and executed for the last 75 years.

::: Stealth Aircraft Technology Use by U.S. Agencies and the United Nations
:::

"Here's another piece of information for you folks. * The Drug Enforcement Administration and the ATF rely on stealth tactical weaponry for as much as 40% of their operations budget. This in 1993, and the figures have gone up considerably since. The United Nations used American stealth aircraft for over 28% of its collective worldwide operations from 1990 to 1992, according to the Center for Strategic Studies and UN Report 3092.

::: The Guardians of Stealth and Delta Force Origins of the Bosnia Conflict
:::

"The Guardians of Stealth: There are at least three distinct classifications of police that guard our most well-kept secrets. Number one, the Military Joint Tactical Force [MJTF], sometimes called the Delta Force or Black Berets, is a MULTI-NATIONAL tactical force primarily used to guard the various stealth aircraft worldwide. By the way, there were 172 stealth aircraft built.

Ten crashed, so there were at last count about 162. Bill Clinton signed them away about six weeks ago TO THE UNITED NATIONS. * There have been indications that the Delta Force was sent over to Bosnia during the last days of the Bush administration as a covert sniper force, and that they started taking pot shots at each side of the controversy, in order to actually START the Bosnia conflict that would be used by succeeding administrations for political purposes.

::: Thoughts on the Bombings in the United States :::

"I was hired not too long ago to do a report on the World Trade Center bombing. I was hired because I know about the 90 some-odd varieties of chemical explosives. I looked at the pictures taken right after the blast. The concrete was puddled and melted. The steel and the rebar was literally extruded up to six feet longer than its original length. There is only one weapon that can do that -- a small nuclear weapon. That's a construction-type nuclear device. Obviously, when they say that it was a

nitrate explosive that did the damage, they're lying 100%, folks. The people they have in custody probably didn't do the crime. As a matter of fact, I have reason to believe that the same group held in custody did do other crimes, such as killing a Jewish rabbi in New York. However, I want to further mention that with the last explosion in Oklahoma City, they are saying that it was a nitrate or fertilizer bomb that did it.

"First, they came out and said it was a 1,000 pound fertilizer bomb. Then, it was 1,500. Then 2,000 pounds. Now its 20,000. You CAN'T put 20,000 pounds of fertilizer in a Rider Truck. Now, I've never mixed explosives, per se. I know the chemical structure and the application of construction explosives. My reputation was based on it. I helped hollow out more than 13 deep underground military bases in the United States. I worked on the MALTA project, in West Germany, in Spain and in Italy. I can tell you from experience that a nitrate explosion would not have hardly shattered the windows of the federal building in Oklahoma City. It would have killed a few people and knocked part of the facing off the building, but it would never have done that kind of damage. I believe I have been lied to, and I am not taking it any longer, so I'm telling you that you've been lied to.

(Allow me to interject at this point five items relating to the Oklahoma City bombing and/or the role Oklahoma City and FEMA plays in a possible United Nations - New World Order agenda. - Branton)

#1 - From the WWW-INTERNET Page: THE EYE OF THE EAGLE SPEAKS:

...An evil element of the U.S. government's CIA, known as the "Committee of Ten," admittedly blew up the Federal Building in Oklahoma City. The blame was put on Timothy McVeigh [a "throw-away/patsy" like Lee Harvey Oswald]. The children were murdered to procure sympathy, money, power, and control over the American people, and the "Constitution-loving" people known as patriots are BLAMED [proof: see Internet, also Associated Press Investigation -- Call EDT Short-wave Channel 12160, satellite Galaxy 6,5-G2 transponder 14]. Two CIA agents, James Black and Ron Jackson, admit to Boswell they were part of the "Committee of Ten" who blew up the Oklahoma City Federal Building on April 29, 1995. They gave sworn affidavits to U.S. Justice Department officials [out of guilt for the dead children?]. They are in hiding until the case comes to court.

On the Dan Gregory Radio Talk Show WPBR 1540, Florida, Ted Gunderson, retired FBI Regional Director -- Mr. Gunderson tells how TWO explosions occurred, and that the bomb used was called a barometric bomb, or "daisy cutter." The fertilizer bomb was also a smoke screen. The ATF Office was the blast target -- and ALL 17 ATF EMPLOYEES DID NOT SHOW UP FOR WORK that morning. Call CNN News for a transcript of CNN News correspondent's Gary Tuchman's May 29, 1995, CNN News interview with Edye Smith, a mother who lost two children. She wanted to know if government employees had advance warning of the blast because her two little boys, Chase [3 years] and Colton [2 years], had none. "We [all the mothers who lost children] are being TOLD to keep our mouths shut, not talk about it, don't ask those questions."

#2 - "The Phoenix Project" is an Ashtar Collective outlet, although they do carry 'conventional' conspiracy-related news releases. Before quoting from "The Phoenix Project" paper I would like to make some comments on the "Ashtar" alliance which backs this organization and its intervention in the affairs of planet earth. It is the policy of the channeled 'Ashtar' sources to expose certain conspiracy-related information, however in most cases the blame for these conspiracies are laid on 'Jewish Zionism'. When you understand the conflict between 'Jewish' and the Ashtar-backed 'Bavarian'

secret societies you may further understand this animosity. True, because Zionism is a political force they do have some connection with the Masonic element of the 'conspiracy', the B'nai Brith and so on, as do ALL religious movements who stray into areas of masonic-economic-political manipulation [which constitutes most of the major denominations by the way, considering the massive Scottish Rite infiltration of the major denominational structures] However 'Jewish Masonry' is NOT the dominant Masonic faction, that place is reserved for the Jesuit's 'Scottish Rite' and the Black Nobility's Rite of the 'Illuminati'. So then, some elements of 'Jewish Masonry' may be 'cooperating' with the New World Order agenda, but they are ultimately subservient to the racist power cults of BAVARIA. This is why the Zionist Rothschilds were UNABLE TO PREVENT the slaughter of over 6 million Jews in the Holocaust, because the Jewish Masons were NOT the dominant force. The Rothschilds' supposed economic collaborators in America, the Germanic-racist Rockefellers, were pressured into serving and carrying out the RACIST-EUGENIC policies of their cultic superiors in Bavaria, in order to be allowed to maintain their economic stranglehold on America. Following World War II, the Rockefellers recieved a flood of Nazi War criminals into their fold, giving them refuge and immunity within their massive corporate network.

The Jewish Masons, such as the Rothschilds, were only a PART of a THIRD [Wicca Masonic] element of the global power network, competing with the other two-thirds working within the Black Nobility and the Maltese Jesuit lodges. That is, until all three agreed to work together under the 'Bildeberger' organization in order to implement the NWO and then decide later just who would dominate it. Just why the Rothschild Wicca-Masons would agree to become a part of the Bildeberger cult is uncertain. Perhaps they were not fully aware of the part that the Jesuit-Rockefeller elements played in the Nazi Holocaust, or the actual extent of the influx of Nazi war criminals into the Rockefeller empire following the war? A more likely explanation would be a combination of the following. Some of the Zionists who collaborated with the Rockefellers were not fully aware of the racist Anti-Jewish elements involved; some of the 'Jewish Masons' just didn't care and were in essence willing to sell out their own kind in exchange for POWER; also the Jesuit's Scottish Rite had succeeded in Infiltrating Jewish [and York Rite British] Masonry to the point where its assimilation into the Bavarian-controlled NWO Bildeberger cult would be ensured.

✕ In fact there is some reason to believe that the Bavarians [and aliens?] were using the Wicca Masons, Black Nobility and Maltese Jesuit as HIGH-LEVEL Machievellian 'arms' to create political, economic and religious conflict in the world. In other words the lower levels of these three formerly 'competitive' global power cults would be individuals who were devoted to the idea that THEIR respective lodge[s] should be in control of the New World Order and were therefore to engage in fraternal warfare with the 'others', the Jesuits against the Masons and vice versa for example. On an other-planetary level it could be the Sirian-backed Masons vs the Rigelian backed Jesuits. The Sirian humanoids and the Rigelian reptiloids, being formerly at odds, were now being brought together by the Aldebaran-backed Ashtarian collectivists and their 'New Galactic Order' agenda. Planet earth is NOT the only place where 'Machievellian/Hegalian' political agendas have been carried out. On earth the Aldebaran collective in turn backs their 'Bavarian Black Nobility' allies and repeats the same thesis-antithesis-synthesis scenario on earth between the Masons and Jesuits, eventually merging them into a power structure that is ultimately controlled [on earth] by the Bavarian black gnostic 'serpent' cult from it's secret hideaways below Gizeh, Egypt; Pine Gap, Australia; Dulce, New Mexico, etc. This power-center would in turn have placed its agents within the Jesuit, Nobility and Masonic 'arms' in order to manipulate these three power-groups towards their own ends. For instance, even though lower-level initiates of these three lodges would favor their own lodge over the others, the CONTROLLING ELITE of all three elements would never-the-less be agents of the Bavarian 'Babylonian Serpent Cult' itself. Certain members of the Black Nobility families would sell out to the cult and turn these families

in whatever direction the cult dictated; high-ranking Scottish Rite members of the Wicca Mason faction would likewise be serving the Bavarian agenda via the Illuminati; and the high-ranking Jesuits themselves would in turn be serving the Bavarian elite, since Germany was after all the headquarters of the [Un]Holy Roman Empire and NOT Rome, which capitulated its center-of-power over to Germany following the decline of the earlier Roman Empire.

*This is one 'perspective' from which this can all be viewed, although it is certainly not the only perspective.

According to contactee Israel Norkin however, the Ashtar or Astarte alien collective -- which has a large following in Aldebaran and other systems and which played an integral part in the ancient Sirian-Orion conflict over ancient Egypt -- is a subterranean/exterrestrial alliance, a virtual 'collective group mind', that has since been infiltrated by the 'Unholy Six' Empires of Orion. If this is true, then this does not necessarily mean that ALL of the members of the 'Ashtar collective' are working for UH6, especially when more recent contactee accounts have stated that a civil war has been taking place in Sirius. This 'war' has apparently been waged because the 'infiltrated' faction of the collective that has been infiltrated and commandeered by the Orionite forces, has in turn broken free from the remaining segment of the collective. *This remaining segment has since established close ties with Pleiadean non-interventionists. Actually, IF they hold true to the non-interventionist policies, one would think that this remaining element of the 'alliance' would give up the collectivist agenda altogether, and adopt the sovereigntist philosophy which teaches the respect for personal sovereignty from a planetary down to an individual level. Since a collective, hive or group mind tends to KILL human individuality and sovereignty, such an existence would seem to be ever at odds with non-interventionism.

*Just as non-interventionists believe in planetary sovereignty, which is a more 'cosmic' manifestation of the same principles which appear in the American 'Bill of Rights' in respect to personal sovereignty, we must realize that just as with America, the non-interventionists have not "arrived" at the perfect fulfillment of their philosophy any more than the 'American dream' has become a full reality. Since this universe is imperfect and subject to human agency, it is a continuous struggle to FIGHT to defend liberty, freedom and sovereignty whether on an inter-planetary or an inter personal level. So even though we must continue to fight and struggle to maintain planetary, national or personal sovereignty in a universe where it is continually being threatened by parasitical-interventionist-imperialistic forces, the non-interventionist charters of the 'Federation' and the Constitutional charters of 'America' are nevertheless GOALS for us to work towards.

With this foundation laid then, the following are excerpts from CONTACT: THE PHOENIX PROJECT, June 20, 1995:

"I happened to mention that I had heard, very early after the Oklahoma City bombing, some mention of there being an 18-story underground associated with that building, including five floors of underground parking garage space. This tantalizing bit of news came about because some network TV interviewer was discussing the bomb pattern with, I think, the building's original designer or architect.

"But I never heard it mentioned again, in all the days of further reporting, as the enormous magnitude of that tragedy continued to unfold, amidst spin doctoring of the most dazzling intensity (that is, anti-militia and anti-patriot 'spin-doctoring'. - Branton)

"As happens in such cases of instant news sanitation, one begins to question if one EVER REALLY heard what one was SURE of just a week or so earlier. After all, you would think such information couldn't easily be hidden so well.

"So, in that 5/30/95 Front Page editorial I asked if anyone else out there had heard about this interesting and apparently 'neglected' feature of the Oklahoma City federal building. After all, longtime CONTACT readers are well aware of all the diabolical, tunnel-interconnected, secret underground facilities around the country. Thus, even the mere possibility of a major UNDERGROUND aspect to the structure brings a whole new provocative array of dimensions into this already bizarre picture called the 'official' Oklahoma City blast story. For instance, the 'rumors' about serious Fed-incriminating Waco evidence being stored at that Oklahoma City site take on new life if an underground connection is genuine (for instance, there were reports that some agents IGNORED wounded children and employees among the ruins and went instead straight into the rubble to 'rescue' the boxes of secret implicating documents deeper within the building. Or did they remove these documents only to be destroyed at a later time, so that 'they' could claim that all of this 'evidence' had been destroyed in the blast? - Branton).

"On 6/7/95 we recieved an interesting, excited telephone call at the CONTACT offices from someone who had read my editorial and could confirm having heard EARLY news reports which were not only similar to what I had heard, but made what I heard sound like last week's used coffee grounds. Rick Martin took the call and, after hearing the news, asked this person to take a deep, calming breath and then put their thoughts down on paper.

"Let me quote from that letter, recieved at the CONTACT offices on 6/15/95. This is from E.B.W., writing from the Pacific Northwest State of Washington.

"[QUOTING] I watched the Oklahoma bombing RIGHT AFTER it happened. I had the TV on and all of a sudden it switched to this scene where a bombing had just taken place. At first, I did not pay much attention; I was busy doing something else. I would listen in every once in a while. The anchorwoman, or reporter, from the local TV station, was running around, babbling excitedly. At least once, that I remember, all people were asked to leave the scene and it showed everybody running like mad. They HAD FOUND ADDITIONAL BOMBS, or bomb, and the detonation squad was called in to defuse it.

"During all this commotion, running and reporting, the lady reporter kept talking about the UNDERGROUND TUNNELS, which had been blown open. She kept referring to the HUGE UNDERGROUND TUNNELS and there may be people trapped in there. I heard her refer to the UNDERGROUND TUNNELS at least about 6 to 7 times during the period I watched. I'm not quite sure how long that was. Maybe 1 to 2 hours.

"A lady friend of mine called me and wanted to know if I had seen the FIREMAN ON THE SCENE, who went in front of the camera, totally freaked, wide-eyed and scared, who talked about HUGE UNDERGROUND TUNNELS, where ENORMOUS SUPPLIES OF ARMS WERE STORED. He said he saw MISSILES, TANKS, ETC., ETC. I don't remember what else he saw. But HE WAS TOTALLY FREAKED OUT. He looked like he had seen a ghost. Hope this helps.

P.S. Please don't use my name. I will try to get my friend to write down what she knows. [END OF QUOTING]"

*An 18-level underground base? CIA involvement? A huge military arsenal? Unless I'm mistaken, could this be ONE of the NEW WORLD ORDER underground bases mentioned by Phil Schneider? If so, then if or when an attempted UNITED NATIONS crack-down on American Patriots, AND/OR a possible European NEW WORLD ORDER invasion of American soil occurs... could such an invasion come not only from the air, ground and sea, but from BELOW as well? Take note that Oklahoma City is supposed to be one of the 'biggie' NWO transfer points when things get rolling, or so the 'Commu-Nazi's' running the New World Order plot hope. *There are some who believe that the U.N. - N.W.O. forces are attempting to precipitate internal civil crisis' in America as a retext to bringing in multi-national U.N. "peace-keeping" forces to restore "order", that is, the "New World" type of "Order". If there is too much

resistance, then a possible U.N.-backed invasion by U.N. member countries -- many of whom despise America anyway thanks to the likes of the CIA -- will be initiated to help these "peace-keepers". I recently read a news-story where the entire Iranian parliament collectively shouted "Death to America", and from what I've heard that wasn't the first time another countries' leadership declared their hatred for the USA and their desire to see it [and Israel] destroyed... and we can include several Communist dictators as well. The Iranian reaction may have been partly due to the CIA's intervention in their affairs, however I think the main reason is that the USA is one of Israel's strongest allies. I would suggest that we remember that Israel is the oldest continuous culture on earth -- predating the Chinese culture by 500 years; it is one of the smallest cultures whereas numbers are concerned; has fought more enemies who have sought its destruction than possibly any other nation on earth; and has against ALL possible odds survived to this day as a single people. I would suggest that we DO NOT cease from an alliance with the Jews. Whether one considers Israel as having 'God' or 'good-fortune' on their side, history nevertheless has shown that those cultures that have opposed Israel have a strange way of disappearing from the face of the earth.

* As for a possible New World Order takeover, some skeptics -- in spite of the lessons that should have been learned from World War II -- claim that conditions could never reach such a point. However what if the following report has any truth to it?

*#3 - Keep in mind that the following incident ties-together the UNITED NATIONS - NEW WORLD ORDER scenario [which is obviously intent on destroying the American Independence movement which is the last MAJOR obstacle to World Government], the OKLAHOMA CITY AREA, and multi-national U.N.-backed military forces now training on American soil. The following information comes from a source which has investigated actual UNITED NATIONS preparations, IN THE UNITED STATES, to deal with any resistance to a 'New World Order' dictatorship.

Take note that FEMA is a major New World Order front with SEVERAL extensive operational underground bases which, like underground Trojan horses, exist beneath strategic locations throughout the United States:

If this is the case, then Americans have the CONSTITUTIONAL RIGHT to resist this FOREIGN U.N. - N.W.O. government, a right which is also laid down in the DECLARATION OF INDEPENDENCE. Note: In Red China an untold number of people are suffering in Communist 'Laogai' camps as slave laborers; in Soviet Russia it was the 'Gulag' camps. In Nazi Germany the 'Concentration' camps were not only used as slave camps, but also as extermination camps to carry out the genocidal plans of American Corporate and European Militant 'Nazis'. The enemy of SOVEREIGNTISM is COLLECTISM, which is also known as "Socialism". Socialism comes in many forms: Global Socialism [Communism]; National Socialism [Fascism]; and Corporate Socialism [Technocracy]. *All three movements are ultimately controlled by the same Luciferian cults of Bavaria who backed Vladimir Lenin, Adolph Hitler, and John D. Rockefeller, and who are descended from the very same cults which ruled the [Un]Holy Roman Empire during the Dark Ages [see Revelation chapter 17]. I have only one thing to say concerning these plans for confinement camps here in America, and I'm sure that most of our Jewish-American citizens who share this country with us -- ALL of us whose ancestors came from all parts of the world and from all different cultures in order to be free from tyranny -- will agree with me whole-heartedly when I share their battle-cry: "NEVER AGAIN!!!"

The Federal Emergency Management Agency FEMA

.....

Although an excellent article, the January 1995 edition of 'Monitoring Times' magazine published only a tiny portion of what FEMA has been tasked by Executive Order to perform. *FEMA was brought into existence by E.O. [That is, by Presidents like those who replaced or came after JFK!!! -- many of whose campaigns were financed by the Rockefellers and promoted by Rockefeller-backed media agencies -- Presidents who have the power to appoint their own unelected staff, create Executive Orders at a whim, and establish secret military-industrial-intelligence agencies that are NOT subject to Congressional oversight!]

All the frequencies I have for FEMA follow my comments here:

Federal Emergency Management Agency [F.E.M.A.] [and other emergency agencies]:

F.E.M.A. [Federal Emergency Management Agency] has been 'authorized' for the past 15 years by Presidential Executive Orders to confiscate ALL PROPERTY from the American People, separate families in the current 43 internment camps [already built and operational by the way, 5 of which are located in Georgia. The largest can confine somewhere on the order of 100,000 American citizens], called relocation camps by the 'government', for assignment to work camps; declares martial law and TOTALLY OVER-RIDES the U.S. Constitution. Presidential Executive Orders that are related or control this are given at the end of this. Two of the state prisons here in Georgia are currently empty, although manned by a minimal number of staff, have been setup and intentionally unpopulated by prisoners just to support this political policy.

Concentration [internment] Camps. An Executive Order signed by then President BUSH in 1989 authorized the Federal Emergency Management Agency [F.E.M.A.] to build 43 primary camps [having a capacity of 35,000 to 45,000 prisoners EACH] and also authorized hundreds of secondary facilities. It is interesting to note that several of these facilities can accommodate 100,000 prisoners. These facilities have been completed and many are already manned but as yet contain no prisoners. [Remember all the TALK of over-crowded prisons that exist...]. In south Georgia there are several state prisons that except for a few guards, are completely devoid of prisoners.

Under F.E.M.A., the Executive Orders which are already written and is the current law of the land, calls for the COMPLETE suspension of the United States Constitution, all rights and liberties, as they are currently known. The following executive orders, which are in the Federal Register located in Washington DC for anyone to request copies of, call for the suspension of all civil rights and liberties and for extraordinary measures to be taken in, as most of the orders state, "any national security emergency situation that might confront the government." When F.E.M.A. is implemented, the following executive orders will be immediately enforced:

E.O.

- * E.O. 12148 - FEMA national security emergency, such as: national disaster, social unrest, insurrection, OR national financial crisis.
- * E.O. 10995 - "... provides for the seizure of ALL communications media in the United States."
- * E.O. 10997 - "... provides for the seizure of ALL electric power, petroleum, gas, fuels and minerals, both public and private."
- * E.O. 10998 - "... provides for the seizure of ALL food supplies and resources, public and private, and ALL farms, lands, and equipment."
- * E.O. 10999 - "... provides for the seizure of ALL means of transportation, including PERSONAL cars, trucks or vehicles of any kind and TOTAL CONTROL over all highways, seaports, and waterways."

*E.O. 11000 - "... provides for the SEIZURE OF ALL AMERICAN PEOPLE for work forces under federal supervision, including SPLITTING UP OF FAMILIES if the government has to."

*E.O. 11001 - "... provides for government seizure of ALL health, education and welfare functions."

*E.O. 11002 - "... designates the postmaster general to operate a national REGISTRATION of all persons." [Under this order, you would report to your local post office to be separated and assigned to a new area. Here is where families would be separated].

*E.O. 11003 - "... provides for the government to take over ALL airports and aircraft, commercial, public and PRIVATE."

*E.O. 11004 - "... provides for the Housing and Finance Authority to relocate communities, designate areas to be abandoned and establish new locations for populations."

*E.O. 11005 - "... provides for the government to TAKE OVER railroads, inland waterways, and public storage facilities."

E.O. 11051 - "... the office of Emergency Planning [has] complete authorization to put the above orders into effect in time of increased international tension or economic or financial crisis."

(What about an 'engineered' financial crisis, which in turn would most likely lead to 'social unrest'? This all depends on the decision of the current President. But then we must ask, just how legal is the U.S. Presidency anyway? MANY within the Continental Congress, fearing the rise of Monarchy, had originally opposed the establishment of a Chief Executive position such as the one that General George Washington was elected to. They were assured however that those who followed Washington would have his example of integrity to base their own presidencies on. I have a suggestion: do away with the U.S. Presidency and the entire Executive Branch of government altogether -- especially now that it is, according to many sources, under the control of unelected Military-Industrialists since the coup of 1963 -- and give back control of the government to the CONGRESS as it was in the beginning. Congress by majority vote CAN do away with the Executive position if they choose to do so - Branton)

All of the above executive orders were combined by President NIXON (I rest my case - Branton) into Executive Order 11490, which allows all of this to take place if a national emergency is declared by the President. The burning and insurrection in Los Angeles in the case of Rodney King could have executed [and partially did execute] these Executive Orders.

Executive Order 12919: "National Defense Industrial Resources Preparedness" signed by CLINTON June 3, 1994, delegates authorities, responsibilities and allocations of F.E.M.A.'s Executive Orders [last entry] for the confiscation of ALL PROPERTY from the American people, and their re-location and assignment to 'labor' camps. The Executive Order also supersedes or revokes eleven (11) previous Executive Orders [from 1939 through 1991] and amends Executive Order 10789 and 11790. *This executive order is A DECLARATION OF WAR AGAINST THE AMERICAN PEOPLE by the [Secret] Government of the United States in concert with the UNITED NATIONS.

Operation Dragnet. Janet Reno can implement this operation upon receiving one call from the President. Arrest warrants will be issued via computer to round-up over 1 MILLION PATRIOTIC AMERICANS who may 'resist' the NEW WORLD ORDER. Americans who are not 'politically correct.' Specifically mentioned are CHRISTIANS or those who read the Bible. Concentration/internment camps have already been built to accommodate these American prisoners. See above paragraph as these internment camps have been setup and are run by F.E.M.A.

(Note: In reference to Christians, just where should they/we stand in regards to defending America? Should Christians take up arms if necessary? Apparently the Founding fathers of the American Republic believed so, so long as it was in order to DEFEND their country, their women and children... and NOT in order to engage in offensive warfare for the sake of conquering and exploiting others, which to me would be "living by the sword" or you could say "making a living" by the sword. This could be exemplified by the Germans who initiated unprovoked invasions of their neighbors to meet their economic needs during World Wars I and II. One might ask, what about all the Orthodox Jews and Greek Orthodox Christians who went to their deaths like lambs to the slaughter without resisting during World War II? Why didn't they fight more zealously to defend themselves? That is a hard question and one that I don't have an answer for. All I can say is that from my study of the Old and New Testaments, I find no passage that forbids us from defending ourselves from aggressors -- at least in a national sense, however we ARE forbidden to become aggressors ourselves or engage in conflicts which are offensive rather than defensive oriented. The offensive attacks against the native Americans for instance, resulting from the Anglo invasion of North America, can NOT be justified through scripture, and such policies and mistreatment of the native Americans, the continuous betrayal of treaties, and the stealing of their God-given land in the past have or will doubtless have an adverse affect on America's destiny UNLESS reparations are made to the native peoples -- for instance a restoration of historical territories. Perhaps the Greys felt justified in repeatedly violating our government's secret 'treaties' with them because 'we' had done the exact same thing to the native Americans? Perhaps we DESERVED the abuses that the Greys and their Bavarian collaborators have inflicted upon us? Perhaps our nation's destiny will be largely determined by how we treat the native Americans from here on out, whether or not we begin to honor ALL of the treaties that 'we' had made and broken in the past? Could it be? On the other hand, if OFFENSIVE warfare is forbidden by God, then DEFENSIVE warfare against a foreign invasion of American soil or an internal threat to our freedoms as they are guaranteed in the Bill of Rights WOULD from my perspective be justified. In Psalm 125:3 we read how the rule of the wicked is a DIRECT VIOLATION of the will of God: "...For the wicked shall not rule the godly, lest the godly be forced to do wrong." A perfect example would be the Lutherans of Germany who all-too-often capitulated to the Nazi's and their 'state church', in spite of the fact that most of the Nazi leaders were themselves backed by Luciferian cults which the Christians should have resisted. Instead, many of these backslidden Christians in Germany grudgingly supported the atrocities of their Nazi leaders, and by default the extermination by the millions of Jewish men, women and children. Why could Martin Luther himself stand alone against hundreds of pompish religious hypocrites at the council of worms in Germany and boldly accuse them of pharasitical blasphemy and idolatry to their face, yet many of his

Protestant followers -- not detracting from those few brave souls who DID resist -- gave-in right and left to the Nazi satanists, and in some cases even contributed to the atrocities of World Wars I and II? In short then, Christianity does not teach that one SHOULD take up the sword, and it does not teach that one SHOULD NOT take up the sword in a defensive capacity. It all depends on one's own personal choice and faith. There is a warning however that those who do take up the sword should consider the possibility that they might die in battle. Then again one might die by NOT taking up the sword if they are captured and placed in death camp. It all comes down to ones personal choice, based on the prevailing circumstances. It is written that the "meek shall inherit the earth". This does not mean the "weak", since the actual meaning of "meek" is literally "a stallion in restraint" or someone who shows self-control over their passions. Logically those who run out onto the battlefield "to die for their country" in a blaze of suicidal zeal and vain glory will probably do just that. Those on the other hand who are cautious and wise and fight with the motive of "defending their family" will not be so careless with their lives, since they are the provider of their family as well as its defender. If they are dead then they can no longer provide nor defend. - Branton)

Operation Rolling Thunder. Reno and Benson have mentioned this operation which comprises county-wide sweeps of house to house, dynamic entry, search and seizures for all guns and food stockpiles by B.A.T.F., state national guard, activity duty soldiers, as well as local police. This function is also run and coordinated through F.E.M.A.

Public Law 100-690 banned almost ALL RELIGIOUS GATHERINGS [not yet enforced..]. (Note: When and if this is enforced, this will be a blatant defecation upon the BILL OF RIGHTS, and in this event every true American is allowed -- and in fact it will be his and her Patriotic DUTY -- to implement the clause within the DECLARATION OF INDEPENDENCE to OVERTHROW such an alien, foreign or domestic tyranny-structure which has infested the governing body of America. - Branton); grants no-knock search and seizures without a search warrant; expands the drug laws to include EVERY American. This will generally be the prelude, or in addition to, a F.E.M.A. operation and contingency plan implementation.

The Omnibus Crime Bill of 1990. Ensures confiscation of all private property via money laundering, environmental violations of the Clean Water and Air Act, and extends as far as child abuse. This act also coordinates activities through F.E.M.A. and the Department of the Army, Commanding General, U.S. Forces Command, Fort McPherson, GA which is the executive and implementing agency upon initiation of many of these acts. The responsible agency within U.S. Army Forces Command was what used to be known as the Deputy Chief of Staff for Operations, Plans Division [DCSOPS, Plans], which was changed several years ago to J-3 after the Headquarters became a joint headquarters. They keep on file copies of all F.E.M.A. Emergency Management Operation Plans, including those plans developed by the Army to support the F.E.M.A. plan to eliminate the U.S. Constitution upon implementation. According to current plans, the Constitution will be 'temporarily' discontinued and shelved until the real or perceived and declared 'threat' has been neutralized (ask yourself -- who or what is the REAL threat that needs to be 'neutralized'? - Branton). But once 'shelved,' as with almost every other action of the Government, it STAYS shelved.

The Crime Bill of 1994. Banning of all military weapons which are necessary to the formation of a militia [when needed], denies other military equipment to the people's militia units (that's OK... the average American gun owner can legally acquire this 'equipment' from off the DEAD BODIES of FEMA-backed or related domestic/foreign gestapo forces when they break-in-to our homes to steal our personal property or try to take us and our families prisoner without due process of law. - Branton), prelude to confiscating ALL guns in the hands of private citizens, DESTROYS the 1st Amendment, and makes

virtually every American an outlaw. See above comments concerning the house-to-house search. The agency responsible for the actual implementation and search is the Department of the Army in concert with local and state police, including F.E.M.A., FBI, BATF, and other Federal Agencies.

SECRET UNDERGROUND BASES. There have been documented over 60 secret, VIRTUAL CITIES, UNDERGROUND, built by the government, Federal Reserve Bank Owners (such as the 'Rockefellers', etc. - Branton), and high ranking members of the Committee of 300 [some of these underground areas can be seen in Kansas City, Missouri and Kansas City, Kansas]. In addition, there exist underground Satellite Tracking Facilities which have the ability to punch your 911 address into the computer and a satellite can within seconds bring a camera to bear on your property to the point that those monitoring can read a license number on an automobile in your driveway. These facilities have as of Oct. 1, 1994, been turned over to the [foreign power of the] UNITED NATIONS. (Note: Forget the license plate, according to Norio Hayakawa, this satellite technology is now so sophisticated that they can CLEARLY read every word on your driver's LICENSE, supposing it were in view of the satellite. - Branton)

*#5 - HAS IT ALREADY BEGUN? U.S. MILITARY OFFICERS -- SHACKLED BY U.N. FORCES

A report from SEVENTH WEEK MAGAZINE states that U.S. Military Officers were observed gagged, cuffed, and shackled to their seats aboard a white U.N. 747 en-route to the Federal Transfer Center near OKLAHOMA CITY! Part of this report follows:

"At a survival/preparation seminar in S.E. Oklahoma, on 3/25/95, an attendee interrupted one speaker, and stated that a neighbor, who apparently serves as a reserve crew member aboard one of the all white, unmarked, United Nations B-747 aircraft [which are assigned to FEMA, Black Operations, i.e. U.N. / N.W.O and hubbed at the Federal (prisoner) Transfer Center or FTC at WILL ROGERS AIRPORT], had been dead-heading back to Oklahoma City on the flight. He descended from the flight deck to see what the "prisoner cargo" consisted of, however, not only did he see the normal armed, black uniformed guards, and a load of bound humans, but he saw several U.S. Military officers, in full uniform, gagged, and shackled to their seats! They were in the front of the cabin, and from their visages, he discerned that they were violently angry at their situation. No doubt!

"At this point I guess you might think this is a joke? Nope, because in April 1993, and July 1994, an ex-Army intelligence analyst postulated THIS EXACT SCENARIO would happen! He also stated, in the 94 interview, 'they' were going to use white 747's to fly 'detained' [kidnapped] conservative, etc., etc., 'political' prisoners around the U.S., via the TFC, to the NOW-existing, 130 FEMA "RESISTER/DISSIDENT" DETENTION CAMPS. The above operation, among many others in this overall incredible takeover conspiracy, INCLUDES EARLY-ON LEADERSHIP KIDNAPPING, PERFORMED BY FOREIGN [ASIAN] CREWS NOW HIDDEN IN THE U.S. [on 'closed' U.S. bases] (UNDER closed military bases? - Branton), using the 3,000 choppers provided TO THE U.N. under the auspices of the 1989 "Open Skies Treaty," signed by good ole New World Order Sultan George Bush; a member of the Skull and Bones Secret Society, and the Trilateral Commission. The Treaty allows for the aerial observation of the U.S. [and, yes, your house -- if you have been tagged for observation, along with your phone being tapped], No Questions Asked! The majority of the recent BLACK CHOPPER sorties have nothing to do with lawful military/police department operations, but are presently locating, and setting up for seizure, people/guns, who will not take the 'mark' of the coming One World Government/Order! So PREPARE accordingly!"

(With the preceding confirmation of his claims, we now return to the Phil Schneider lecture. - Branton):

::: The Truth Behind the Republican Contract With America :::

"I don't perceive at this time that we have too much more than six months of life left in this country, at the present rate. We are the laughing stock of the world, because we are being hood-winked by so many evil people that are running this country. I think we can do better. I think the people over 45 are seriously worried about their future. I'm going to run some scary scenarios by you. The Contract With America. It contains the same terminology that Adolph Hitler used to subvert Germany in 1931. I believe we can do better. The Contract With America (or is it the "Contract ON America"? - Branton) is a last ditch effort by our federal government to tear away the Constitution and the Bill of Rights.

::: Some Statistics on the Black Helicopter Presence :::

"The black helicopters. There are over 64,000 black helicopters in the United States. For every hour that goes by, there is one being built. Is this the proper use of our money? What does the federal government need 64,000 tactical helicopters for, if they are not trying to enslave us. I doubt if the entire military needs 64,000 worldwide. I doubt if all the world needs that many. There are 157 F-117A stealth aircraft loaded with LIDAR and computer-enhanced imaging radar. They can see you walking from room to room when they fly over your house. They see objects in the house from the air with a variation limit of 1 inch to 30,000 miles. That's how accurate that is. Now, I worked in the federal government for a long time, and I know exactly how they handle their business.

::: Government Earthquake Device, AIDS as a Bioweapon based on Alien Excretions :::

"The federal government has now invented an earthquake device. I am a geologist, and I know what I am talking about. With the Kobe earthquake in Japan, there was no pulsewave as in a normal earthquake. None. In 1989, there was an earthquake in San Francisco. There was no pulse wave with that one either. It is a Tesla device that is being used for evil purposes. The black budget programs have subverted science as we know it. Look at AIDS, *invented by the National Ordinance Laboratory in Chicago, Illinois in 1972 (and passed to the United Nations - World Health Organization via the military Biogenetics facility at Ft. Detrick, Maryland to be injected into Small Pox vaccines in Africa and Hepatitis-2 vaccines in America, according to Drs. William Campbell Douglas, Alan Cantwell, Jr. and Dr. Robert Strecker - Branton). It was a biological weapon to be used against the people of the United States. The reason I know this is that I have seen the documentation by the Office of Strategic Services, which by the way is still in operation to this day, through the CDC in Atlanta. They used the glandular excretions of animals, humans and alien humanoids to create the virus. (according to the above mentioned Drs., part of the production of the virus involved the splicing of the Bovine Leukemia and Sheep Visna viruses in cancered human-tissue cultures. - Branton) These alien humanoids the

government is hobnobbing with are the worst news. There is absolutely no defense against their germs -- none. They are a biological weapon of terrible consequence. Every alien [Gray] on the planet needs to be isolated.

"Saddam Hussein killed 3.5 MILLION Kurdish people with a similar biological weapon. Do we, the people of this planet, deserve this? No, we don't, but we are not doing anything about it. Every moment we waste, we are doing other people on the planet a disservice. Right now, I am dying of cancer that I contracted because of my work for the federal government. I might live six months. I might not. I will tell you one thing. If I keep speaking out like I am, maybe God will give me the life to talk my head off. I will break every law that it takes to talk my head off. ELEVEN of my best friends in the last 22 years have been MURDERED. Eight of the murders were called 'suicides.' Before I went to talk in Las Vegas, I drove a friend down to Joshua Tree, near 29 Palms. I drove into the mountains in order to get to Needles, California, and I was followed by two government E-350 vans with G-14 plates, each with a couple of occupants, one of which had an Uzi. I knew exactly who they were. I have spoken 19 times and have probably reached 45,000 people. Well, I got ahead of them and came to a stop in the middle of the road. They both went on either side of me and down a ravine. Is this what its going to take? I cut up my security card and sent it back to the government, and told them if I was threatened, and I have been, that I was going to upload 140,000 pages of documentation to the internet about [secret] government structure and the whole plan. I have already begun that task.

"Thank you very much."

End of May 1995 Lecture

[Following is yet another article downloaded from the Internet with reference to [REDACTED] Although not written by Schneider himself, the following is an interview with a woman who was aquatinted with the late underground base technician. Although many of the joint CIA-Alien bases have no 'obvious' or overt surface presence or facilities -- for instance Deep Springs, CA; Mercury, NV; Page, AZ; Dulce, NM -- OTHER underground facilities involved with the joint Bavarian-Alien New World Order agenda, aside from those existing below most of the active and 'deactivated' military bases, DO include surface facilities, and some of these for some strange reason are located directly below major Air Port terminals. For instance there is a large underground FEMA base below the Salt Lake City airport; another apparently exists at the Oklahoma City airport which serves as a joint FEMA - UNITED NATIONS "New World Order" detention/transfer center; however the most unusual 'Airport' of this nature seems to be the newer Denver International Airport, as described in the following interview]:

Leading Edge Research: The KSEO 4/26/96 Interview with Alex Christopher.
Extract from Leading Edge International Research Journal #92. The KSEO 4/26/96 Interview with Alex Christopher, Author of "Pandora's Box" and "Pandora's Box II". Transcript 6/1/96 by Leading Edge Research Group.
Legend: DA [Dave Alan, Host] AC: [Alex Christopher] C: [Caller]

DA: My special guest tonight is Alex Christopher, author of "Pandora's Box", an expose of the British instigation through Washington D.C. over the last 200 years (or more precisely, British-based Masonry, and most notably Scottish Rite Masonry which has long-since infiltrated British and American Masonry. - Branton). You thought you were free? This stuff has been going on forever. The idea was to make us perceive we were "free and independent"... She has a lot of information here, and we are going to have to have her back again for more. I talked to her last night. Just a fascinating individual. She is going to talk about the Montauk Project and extraterrestrial influences, and more. So, Alex, where do you start?

AC: Somebody told me one time, start in the middle and go from there. If you want to, pick a subject and we'll start from there.

DA: Last night we talked about a few things. We talked about the Denver airport last night and what is really going on down there, and we talked a bit about the Montauk project and Al Bielek, and then we skipped around a bit about some of the things in Pandora's Box. You mentioned that the Queen of England has been buying up a lot of property in Colorado under a pseudonym. Why don't we start on the subject of the British. (Note: according to former British Intelligence agent Dr. John Coleman, the London-based Wicca Mason lodges are one-third of the overall global conspiracy. The other two thirds are the Black Nobility banking families who claim direct descent from the early Roman emperors, and also the Maltese Jesuits or the Jesuit - Knights of Malta network. All three networks each have 13 representatives within the Bilderberg organization, which is a cover for the Bavarian Illuminati, suggestive that Bavaria itself has orchestrated a "marriage of convenience" between these three formerly competitive global control groups. - Branton)

AC: All right. The information, primarily, that is in "Pandora's Box" covers how the major corporations, railroad and banking concerns in this country were set up through a 'trust' that was originally known as the Virginia Company... The deal was that everything would remain under English control, or subservient to it, and that brings us right up to today, because we are still looking at everything falling under that 'trust' system going back to the Crown of England. It is mind boggling to think that everyone in this country has been led to believe that the people in the United States had won independence from England, when in fact they never did.

DA: Well, look at President Bush, wherein two years ago he went to England and was knighted by the Queen. Where is that coming from? Is it that he was a faithful servant? (Bush is allegedly a high-level Mason, and a member of the neo-Masonic Skull & Bones lodge. - Branton)

AC: You bet. All of them are doing the bidding, and it goes back to their secret societies and the establishment of the New World Order, which all leads back to the house of Windsor. There has been in this country for a long time a grooming process whereby people carry on the bidding of the Crown of England. I did incidentally have somewhat of a confirmation of this when a friend told me that an American judge confided to her that the judicial system in America is now based after the monarchical judicial court systems of England. - Branton) That is one of the things the system

involving the Rhodes Scholars was set up to achieve. Cecil Rhodes set it up to groom people for this task, to carry the United States into the New World Order. It appears, from what I have been able to find out, that the Crown of England has had this very skillfully planned for hundreds of years, and it could be possible that they have been privy to information that not many of us have been [privy to] for a long long time, about the chaos involving Earth changes that are coming. It is my understanding that England is not going to make it through the changes, so they set up a whole new Empire over here. That goes back to some of the things we discussed before, about lands being bought up in Colorado.

(Note: With the fascination Britons have with time-travel, "DR. WHO" and so-on, is it possible that British intelligence could have gained a glimpse into the future and 'seen' what was coming? The Britons have British Columbia, Canada as their possession -- if they are so desperate and convinced that their nation will not survive the 'changes', then why not move the British Empire to B.C. rather than risk offending Americans by opening old wounds that date back to the revolutionary war, and losing their World War I and World War II allies in the process? Just as in America, it is not the general CITIZENS of Britain who pose a threat to freedom, it is the so-called 'elite', the Rockefellers of America and the Rothschilds of Britain who would and have SOLD-OUT their own peoples for personal gain and god-like domination over the lower classes. The Americans and Britons who fought and died together on the battlefields of World War I and II did not realize that the Rothschild-Rockefeller monarchies were the one's who had betrayed them by helping to CREATE the 'monster' that they were fighting in both world wars for the sole purpose of gaining even greater wealth and power. In the end it all came down to base human greed! America has strayed a long ways from the ideals established by the founders of the U.S. Constitution. And, needless to say, Britain has strayed a long ways from the ideals established by the legendary King Arthur whose greatness came from his ability to make all of his knights equals amidst the 'round-table' rather than succumb to vainglory and the temptation of establishing himself as some kind of human deity. Whether the legend of King Arthur was based on fact or not, the IDEALS themselves are nether-the-less real and true. - Branton).

DA: Yes, the area is of a pretty high altitude, where it will be safe.

AC: Yes. Plus, all the symbolism that is apparent in the layout of the new Denver airport says that it is "a control center for world control". There is a lot of "secret society" symbology at the airport. We started researching all of this to find out what it all means. It's all very scary. A gentlemen by the name of Al Bielek, who has been involved in some very unusual government projects in the past, told me that "the Denver area is where the establishment of the Western sector of the New World Order will be in the United States". Little bits and pieces keep coming to me, confirming things I have not had confirmed before.

DA: Do you know of 

AC: The Committee of 300?

DA: Yes. What's your take on that?

AC: I think his information is fantastic. If he had had the information that I put in "Pandora's Box" when I put that together, it would have blown his mind. But, as far as I know from my standpoint, both sets of material go hand in hand, right down the line.

DA: Some of these things about the background of the British invasion, taking over the land over here while they let us think that we are running this country. How they had a bone to pick with the Czar of Russia years ago, how they have pushed the socialist revolution....like they say, the sun never sets on British soil. About some of these things on the airport in Denver. Would you mind discussing some of those things again?

AC: Well, the first thing that got my attention at the airport was the 'capstone' that I saw in a photograph, that had a Masonic symbol on it. So, I really wanted to go to the airport and see that, because I thought it was very unusual.

DA: The capstone?

AC: The capstone, or the dedication stone, for the Denver airport has a Masonic symbol on it. A whole group of us went out to the airport to see some friends off and see this capstone, which also has a time capsule imbedded inside it. It sits at the south eastern side of the terminal which, by the way, is called "The Great Hall", which is what Masons refer to as their meeting hall. And, on this thing it mentions "the New World Airport Commission". I have never heard of that, have you?

DA: Never.

AC: It has a Masonic symbol on it, and it also has very unusual geometric designs. It depicts an arm rising up out of it that curves at a 45 degree angle. It also has a thing that looks like a keypad on it. This capstone structure is made of carved granite and stainless steel, and it is very fancy.. This little keypad area at the end of the arm has an out-of-place unfinished wooden block sitting on it. The gentleman that was with me on the first trip out to the airport has since died. They say he committed suicide, but everything else tells me that this is not possible. No one can double-tie a catheter behind his own neck and strangle himself. I just don't think that is possible. But, his name was Phil Schneider, and he started blowing the whistle on all this stuff going on in the underground bases that he had helped build for years and years. He worked on the underground bases at Area 51 and Dulce, New Mexico, as well as several other places. Schneider told me that this keypad-looking area looked like a form of techno-geometry that is "alien-oriented", and that it had something to do with a "directional system", whatever that meant, that functioned as a homing beacon to bring ships right into the "Great Hall".

In the same general area on this capstone, there are some most unusual designs on the floor that are all Masonic in nature, which lead right back to the "Black Sun" [Editor Note: According to Al Bielek, Schneider's father was a U-boat captain during the Nazi regime who was also on the Eldridge in 1943 in a medical capacity], which goes back to Nazi symbology. See, the "secret societies" are supposedly into Sun worship. The Nazi's were into "Black Sun" worship, which connects with the idea of Saturn. Saturn and Satanism kind of go hand-in-hand. (Note: The "Black Sun" also refers to the massive black hole at the center of our galaxy. In regards to "unusual designs on the floor", one source claims that the base of the Hoover Dam near Las Vegas, not far from Area 51, contains "wild inlays" of occultic and masonic zodiacal symbolism. Reports stated that as the cliffs were being blasted open to make way for the dam, huge caverns were penetrated. Could these have connections with the underground network? Another unusual dam is the Glen Canyon dam near Page, Arizona which could conceivably provide hydroelectric power to a base that allegedly lies below the area and ties the Dulce and Area 51 bases together subterraneously. - Branton) Then, we have this system of murals at the airport that are the most grotesque things you've ever seen.

DA: What's on the murals?

AC: I say that they are about what they plan to do to us, and the world as a whole, not what has happened or some fantasy. One of them that is very unusual has three caskets with dead people in them...

DA: That's part of the ritual connected with the Skull & Bones Club.

Yes. There are evidently three groups of people that they would like to see dead. The first casket has what the artist told me was a Jewish-American child, a little girl, and she has the 'star' on her clothes and a little Bible and a locket... (this may be a depiction of both Judeo&Christian believers, both of whom have historically been the target of the 'inquisitions' of some of the more occultic secret societies of Europe, such as the Thule-backed inquisition against the Jews and the Jesuit-backed inquisition against the Protestants. - Branton)

DA: Jewish lineage is passed through the female...

AC: Yes. Well, all these caskets depict women who are dead. Then, in the center casket there is depicted a Native American woman, and the last casket has a black woman in it. Now, normally I would not have thought too much about these murals if I had not done a lot of research. Even in the government documents I have run across gene-splicing discussions on how they would like to "splice out specific races", and also whoever these people are do not like the Jewish people. This is just one of the murals, and these murals are huge. This same mural depicts the destruction of a city and the forest, and there is a little girl holding a Mayan tablet that speaks of the destruction of civilization. There is a mural that depicts this 'thing' standing over a city that looks like a green "Darth Vader", with a sword, that has destroyed the city. This character is huge, and there is a road depicted with women walking holding dead babies. This same mural extends over to another mural which depicts all of the children of the world taking

the weapons from each country on earth and giving them to a central figure which is a GERMAN boy who has this iron fist and anvil in his hand that is totally out of proportion to the child's body, beating the swords into plowshares. I thought, well, this is very odd depicting a German child doing this. What all this symbology on the airport murals seems to convey is that not only do we have a secret society behind this, but that it is a German [Bavarian] secret society behind this, working in the vicinity of this New World Control Center.

DA: It is interesting when you consider Operation Paperclip wherein all these Nazi's were brought to the United States to be groomed, financed, and basically brought back into power.

(Note: That is, by the Rockefeller cartel who supplied Nazi Germany with the oil and materials necessary to keep their war machine operating. Rockefeller-connected OIL companies include EXXON, ARCO, ZAPATA, etc. It is alleged that these corporations initially took in and gave refuge to some 3000 Nazi SS war criminals by providing them with immunity, new identities, and positions within the Bavarian-backed Rockefeller corporate empire and within the CIA -- with the help of Bavarian agents like Allen Dulles, Otto Scorzeny, Reinhard Gehlen and later Vice President Nelson Rockefeller. These were then used as a covert force to destroy American independence and make America subject to a Bavarian-backed New World Order. Remember even through the Bilderbergers consist of a "marriage of convenience" between Londonese Wicca Masons, Basilian Black Nobility and Roman Maltese Jesuits... the supreme controllers of the Bildeberger cult itself are the secret black gnostic cults of Bavaria whose 'Cult of the Serpent' -- or Illuminati -- can be traced back to Egypt and ultimately to Babylon itself. These Rockefeller-Nazi projects reportedly continued through at least 1975 during which period many thousands more "underground Nazis" were brought into America from Europe and also, if we are to believe some reports, from the secret German "New Berlin" base under the mountains of Neu Schwabenland, Antarctica that was established during World War II via Nazi-occupied South Africa. Is Neu Schwabenland the REAL power behind the joint Bavarian-Alien New World Order Agenda? The fact that British and American Masons would be pulled into a Bavarian-backed New World Order conspiracy run by anti-British Nazi's and anti-Masonic Jesuits -- in spite of the animosities of World Wars I and II -- would seem contradictory to the extreme. However NOT if we consider the fact that Roman Jesuits had secretly created the Scottish Rite of Masonry at the Jesuit college of Clermont in France and also the Bavarian Illuminati via the Jesuit Adam Weishaupt. Both the Illuminati and Scottish Rite worked together to INFILTRATE Masonry and subdue the traditional Judeo-Christian York Rite. The Masonic elitists in Great Britain and America would have as a result of this infiltration become subject to the influences of the Scottish Rite dominated 33rd degree -- falsely believing that 'Masonry' was still the enemy of the 'Jesuits', as in earlier times the conflict between the two was notorious. They might have been deceived into believing that 'British Masonry' would come out on top of the New World Order when in fact Rome and Bavaria, the two power-centers of the old [Un]Holy Roman Empire, had the REAL control. But blinded by their own delusions of grandeur and world domination, the British elite failed to see how their Masonic lodges were being infiltrated and manipulated by their sworn enemies. Some of the elite might have been oblivious to the ins-and-outs of Masonry altogether, being conscious only of their own greed. - Branton)

AC: Well, I know they're here, because I have seen them [Germans] alongside the Americans in the more sensitive areas of the airport. But, these paintings are most disturbing and very unusual. When I first tried to

contact the artist and talk to him about these murals, he told me that he was given guidelines on what to paint and put in the murals. When I showed up in his studio, I asked to see the guidelines for the last two murals he was working on, he suddenly went "brain dead" and said "of course, there are no guidelines." It took myself and two other people over eight months to figure out all the symbology that is embodied in these murals. It turned out that some of these are 'trigger' pictures, containing symbology designed to trigger altered personalities of people that have been groomed in MKULTRA type programs for specific tasks that they have been trained to do in terms of something connected with Satanic rituals and mind control. I had one woman that called me out of the blue one night, and she was really disturbed about some information. She told me many different things that later turned out to be known MKULTRA triggers. Also, almost every aspect of these murals contains symbols relating back to secret societies. When you get the overall view of what they are talking about in these things, it is very very scary.

* It goes back to the Bio-diversity Treaty, getting rid of specific races of people, taking over the world and mind control.

There is one picture in which every plant turns out to be mind-altering or poisonous, and all the animals are Masonic symbols used in literature in every country in the world. It took a very long time to track all this stuff down and figure out what they're trying to say. The one way they tell stories is in pictures. It's right there in our face when you go into the airport. Most people look at them and say, "those are crazy-looking pictures, what are they doing in this airport?"

DA: Now, you mentioned that underneath this airport it goes down many levels.

AC: Yes.

DA: Does the fact that all these underground levels are there have something to do with why it took so long for this airport to open?

AC: Well, the gentleman that I was dealing with, Phil Schneider, said that during the last year of construction they were connecting the underground airport system to the deep underground base. He told me that there was at least an eight-level deep underground base there, and that there was a 4.5 square mile underground city and an 88.5 square-mile base underneath the airport. It is very unusual that they would allot a 50 square-mile area on the surface at which to locate an airport in the middle of nowhere unless they really planned to use it for something very unusual later. There is a 10-mile, 4-line highway out to this airport, and there is nothing out there in between the airport and Denver. Not even a service station, at least in September 1995. The people in Denver are really upset with the fact that this airport went in the way it did.

There was this fellow who wrote a book in which he made the statement that they had a copy of an audio tape on which a Denver city official was talking with people from the CIA, and that he was paid 1.5 million dollars to allow the 'airport' to be built, no matter what it took. It appears that there was a lot more interest in getting the airport built from just officials in the Denver area. They plan on using this facility for something else other than just landing planes.

DA: So, this guy got you down there to take a look at the underground?

AC: Well, he was invited to go along on the trip. I had a friend that actually got us down into the active area in the underground. It's very interesting down there. The baggage equipment area is very unusual. All the old luggage equipment that wouldn't work right doesn't look much different than the stuff that is working today.

DA: You were telling me that there are huge concrete corridors with sprinklers all along the ceiling. What are these sprinkler heads doing in a concrete bunker, pray tell? (Presumably concrete will not 'burn' if there is a potential fire, so is it possible that something other than 'water' is meant to be expelled from these sprinklers which are located "all along" the ceiling? - Branton)

AC: Well, this is the same question we asked. These shafts are huge and run along adjacent to the tramline on both sides. So, there are two of these huge shafts large enough to fit a two-lane highway in there. There are very FEW openings into and out of the tram shaft, but at the end of them, going out into this 50 square miles of acreage is a huge steel door that would facilitate the entrance of a great big truck. It could be used for almost anything, but what is so unusual about it is that about EVERY FIVE OR SIX FEET on the ceiling, across almost the full width of the area, there is a pipe with three or four sprinkler heads. This goes on for the FULL length of the thing, "which must be close to a mile". There are two of these shafts, and I got a picture in the mail the other day which was very unusual that was taken by someone on board the tram in the shaft. The picture appeared to actually show ghost-like figures on it. It was a mother and a baby wrapped in a blanket. When you are down in that concrete shaft, both times I got nauseated. There are some very unusual vibrations down there (from other 'time dimensions'? - Branton). Now, the tunnel shaft that the tram comes in on could connect up with an underground tunnel coming in from five buildings that were built and buried. There was already a 40 foot diameter tunnel there when construction started. Those five buildings they built 3 1/2 years ago, and suddenly they said "oops, these are in the wrong place", and buried them, along with a very high-tech runway that is buried under about four inches of dirt. It seems insane that they would build a very technical building complex with interlocking tunnels and a tunnel going back to the tram tunnel at the concourse, and then state that they built it in the "wrong place" and cover it up with dirt. I don't believe that people are that stupid.

DA: No. Projects like that are strategically planned, and they just don't go and do that.

AC: Some of these five buildings are 150 feet tall. There is one 78 feet tall, and one that is 126 feet tall. They are all in that range. From this complex there is a shaft that runs to concourse "C". When they started this project, as I said, there was also a huge 40 foot diameter shaft brought in there from somewhere that was off-limits to the work crews. It was there when the project was started. And, everybody that worked on these projects...there were five different contractors, and the people on each contracted crew did not interact with the other ones. When the project was done, everyone was fired and sent away.

DA: You would think that during this massive construction they would not be able to keep this stuff secret.

AC: I think a lot of the people saw things that disturbed them so much that they would not talk about it. I know several people who worked on the project that managed to find their way down into the depths, probably close to the deep underground base, and saw things that scared them so badly they won't talk about it. I interviewed a few of the former employees on these construction crews that worked out there on these buildings that ended up buried, and they are afraid to talk. They say that everybody is real nervous about it, and they decided to tell some of the secrets that they knew, but they don't want anybody to know who they are. So, I can tell you that it is a very unusual and spooky type of place, and if you are a sensitive person you get nauseated as soon as you enter the perimeter of the airport. Especially when you go down underground. You become very nauseated and nervous. There is also so much electromagnetic flux in the area that if you get out on the open ground around the airport, you will 'buzz'.

DA: Where is this flux field coming from? What do you think the purpose of this is?

AC: I think that its coming from some kind of underground electrical system, because where we were there were no power lines, and the whole place was just buzzing with this free energy floating around. Very unusual. In addition, there are areas in the underground that have chain-link fences with the barbed wire tops pointed inward, like they were there to keep people in, not keep people out. All these areas are there, acres of it, and none of it is in active use. There are many terraced areas that go down. One area in particular is forbidden to go into unless you are wearing a biological protective suit. They say there is some kind of "unidentified biological fungus" in that area that attacks people's lungs.

DA: Hmmm. Some kind of way to hide something that is in this area?

AC: Well, we think that area is one that leads to deeper levels underground at the airport. But, it is surrounded by a chain-link fence and you can't get in there. We think this is the area that one of the electricians kind of stumbled into that went down about six levels below the fourth level, and ran into some really weird stuff. He won't talk about any of it now.

DA: Real weird stuff.

AC: Also, at the airport there are what look like miniature nuclear reactor cooling towers, and I don't understand why they are there. When people asked, the reply is that they are part of the ventilation and exhaust system. Ventilation and exhaust from where?

DA: What do you think its for?

AC: I think it is all hooked up to the deep underground.

X DA: They say that this place looks like some underground "holding area"...somewhat like a cattle lot....a place that could hold thousands of people. The gates, fences....

AC: The luggage transport vehicles move on a full-sized double-lane highway, and along this highway are chain-linked areas that could be used for holding areas. I don't understand why they built this the way they did, unless they planned to use it for something like that in the future.

DA: So what could all this be for?

AC: If Phil is right, and all this hooks up to the deep underground base that he was offered the plans to build back in 1979, and that what this other man TOLD me in private [is] that there is a lot of human SLAVE LABOR in these deep underground bases being used by these aliens, and that a lot of this slave labor is children. HE SAID that when the children reach the point that they are unable to work any more, they are slaughtered on the spot and consumed.

DA: Consumed by who?

AC: Aliens. Again, this is not from me, but from a man that gave his life to get this information out. He worked down there for close to 20 years, and he knew everything that was going on.

DA: Hmmm. Who do these aliens eat?

AC: They specifically like young human children, that haven't been contaminated like adults. Well, there is a gentleman out giving a lot of information from a source he gets it from, and he says that there is an incredible number of children snatched in this country.

DA: Over 200,000 each year.

AC: And that these children are the main entree for dinner.

(Note: Many will read this and scoff in utter disbelief at such a claim. This is all well and fine, and even Phil Schneider warns us to put on our 'skepticals' when investigating claims and to investigate them so that they can be definitively proven one way or the other, as all claims of an extraordinary nature should be. So, I would suggest that Congress by-pass the EXECUTIVE branch of government -- which has sold-out to the Intelligence-Military-Industrial Complex, a branch that was originally intended by the founders of the Republic to be the 'servants' of CONGRESS, the SENATE and the PEOPLE -- and undertake a full-scale investigation of this and other underground bases, even if this calls for full-scale Congress-backed military mobilization. The excuse for such an undertaking could for instance be to investigate claims of unethical use of U.S. tax dollars, violations of Federal Medical Regulations in regards to genetic research, failure to pay property taxes on underground facilities used by non-elected officials, harboring of "illegal aliens", bribery and treason, illegal cattle rustling in regards to the Dulce and other bases, possible kidnapping and human rights abuses against children, and so on... - Branton)

DA: How many Draconians are down there?

AC: I have heard the figure of 150,000 just in the New York area.

DA: Underneath New York?

AC: Yes. In some kind of underground base there.

DA: Interesting. Now, you've seen pictures of these things?

AC: I have seen them face to face.

DA: You have?

AC: Yes. From some information that has been put out by a group or team that also works in these underground bases that is trying to get information out to people that love this country, THERE IS A WAR THAT IS GOING ON UNDER OUR FEET, AND ABOVE OUR HEADS, that the public doesn't know anything about, and its between these ALIEN forces and the HUMANS that are trying to fight them.

DA: What other types have you seen?

AC: The ones that I have seen are the big-eyed Greys and the Reptilians.

DA: What do these Reptilians look like?

AC: There are three different types.

DA: Can you tell us how you happened to come into contact with them?

AC: When I lived in Florida in Panama City, at that particular time the Gulf Breeze sightings were going on, and the area was virtually a hotbed for strange events. I had neighbors that were into watching UFOs and getting information about them. One night about 2:30 am, my neighbor called me and was absolutely frantic, and wanted me to come over there. I ran over there and went in the front door, and she and her boyfriend, who is a commercial airline pilot, were in the living room scared out of their wits. I looked over at her, and her eyeballs are rolling back in her head and she was passing out and sliding down the wall. Her boyfriend was trying to tell me what was going on, and I was feeling this incredible energy that felt like it was trying to penetrate my head. So, I grabbed both of them and pulled them both outside, where we stood for a while and talked...

DA: Some people would say that this is a case of demon possession...

AC: Oh, no. There was radiation in the room. The next day all of her plants were dead. So, there was a massive amount of energy focused on that room. Anyway, after about an hour had passed, we had discussed what went on and decided to go back into the house. They had both been in bed and were pulled out of their bed during the night. All they remember is a flash of light in their faces and the next thing they know they're both scared to death. But, when we went back into the house, I noticed that the man had a small palm-print on his side with fingers that must have been 10 inches long, with claw marks on the end that were burned into his side. The next day, that area was so swollen that he could not touch it. I have video pictures of these things on his side. The prints were there from someone bending down from behind him and pulling him out of bed. They had been making love, and 'somebody' lifted him off of her and left these burns there.

Anyway, they were both totally flipped out. I finally got them calmed down enough to let me go home. I went home and went to bed. The next thing I know, I woke up and there is this 'thing' standing over my bed. He had wrap-around yellow eyes with snake pupils, and pointed ears and a grin that wrapped around his head. He had a silvery suit on, and this scared the living daylights out of me. I threw the covers over my head and started screaming....I mean, here is this thing with a Cheshire-cat grin and these funky glowing eyes...this is too much. I have seen that kind of being on more than one occasion.

DA: What else can you say about it?

AC: Well, he had a hooked nose and he was [humanoid] looking, other than the eyes, and had kind of grayish skin. Later on in 1991, I was working in a building in a large city, and I had taken a break about 6:00, and the next thing I knew it was 10:30 at night, and I thought I had taken a short break. I started remembering that I was taken aboard a ship, through four floors of

an office building, and through a roof. There on the ship is were I encountered 'GERMANS' AND 'AMERICANS' WORKING TOGETHER, and also the GREY ALIENS, and then we were taken to some other kind of facility and there I saw the REPTILIANS again ... the one's I call the "baby Godzilla's", that have the short teeth and yellow slanted eyes, and who look like a VELOCI-RAPTOR, kind of.

DA: So, why would these people pick on you?

AC: Well, I found one common denominator in the abduction, and it keeps on being repeated over and over again. I deal with lots of people who have been abducted, and the one common denominator seems to be the blood line, and its the blood line that goes back to ancient Indian or Native American blood lines.

DA: Are these people looking for genetic material?

AC: Well, I don't know if it is a very ancient blood line that they want to try and stop, or what the reasoning is. I know that I was asked some questions, like how I was capable of doing some of the psychic things I was doing at the time. But, it is very unusual to find anybody that remotely thinks they have been taken that doesn't have the Indian blood line, somewhere.

DA: Now, after that experience, what happened after that? What were some of the other times you saw some of these beings?

AC: Well, at that facility I saw the almond-eyed Greys, but the thing that sticks in my mind are the beings that look like reptiles, or the veloci-raptors. They are the cruelest beings you could ever imagine, and they even smell hideous. There were a couple of very unusual areas down there where I was taken which looked like cold storage lockers, where these things were in hibernation tubes, and that is about all I remember, other than seeing some black helicopters and little round-wing disk type aircraft. At that point, the memory seems to be cut off and I can't tap through to anything else. They're there, folks.

DA: Maybe I'll open up some phone lines, and maybe we'll talk about Al Bielek and some things you discussed with him. Are you open to that?

AC: Sure.

Caller (C): On those ships where the Germans and Americans were, did they have any kind of an insignia on their uniforms?

AC: Yes, they did. I have been told that the organization is called "The Black League" (possibly the "Black Monks" within the NSA who reportedly interact directly with aliens? - Branton); by people that might know. A blue triangle with a red-eyed black dragon, with a circle around it. It was very unusual. There's another woman that has written a book about an encounter she had in Fort Walden. I met her some years back, and we were taking about things we've seen. She also talked about this strange insignia. She and I both sat down and drew what we saw, and they were virtually carbon copies of each other. (Note: Winged serpent symbols have been observed by several abductees, including policeman Herbert Schirmer who reported the insignia on the uniforms of the reptilian-eyed grays that had abducted him. - Branton)

In the book "Cosmic Conflict", the author talks about the ancient city that was uncovered by the Germans before World War II, and tells about their effort to revive some frozen humans they found in this underground city, and that the true humans couldn't be revived, but the ones that could be revived were in fact reptilians in disguise, and the reptilians have the capability to do shape-shifting and create a [laser] holographic image so when you look at them you see a human, but under that there is no human there. It's like a "deja vu" of the movie "They Live". (Note: An early newsletter called THE CRYSTAL BALL published information along this line, which stated that the Soviets had during the investigation of a meteor crash uncovered a buried city in Siberia where they discovered the frozen bodies of both humans -- who could NOT be revived, and human-appearing reptilians -- who WERE revived from the frozen state. Allegedly the reptilians re-animated and killed the Soviet scientists and through some type of psychic osmosis drained their minds and assimilated their memories and features through a molecular shape-shifting type process. John Carpenter, who directed THEY LIVE, also directed an earlier movie called THE THING which was based somewhat on a similar theme. The alien 'impostors' then called for backup and more scientists came out and were 'replaced', and these eventually returned to Russia and began to infiltrate the Communist government. Although such claims may seem preposterous, it is nevertheless interesting how numerous 'preposterous' claims as this contain identical 'reptilian' themes. Aside from the instinctive and basic racial fear in humans of things 'reptilian', could this re-occurring theme be more than mere coincidence? - Branton) Cathy O'Brien, who wrote "Trance-Formation in America", revealed that George Bush projected a hologram that he was a reptilian.... real crazy stuff, but if this technology that they possess is there, why couldn't a race do something like that ... these 'people' that are working with our government?

C: I believe that, but I do believe that these are demons that manifest themselves as alien beings, and that this has been going on for a long time...

DA: Demons? Who are demons?

C: Fallen angels.

DA: The reptilians look like that anyway. All the scriptures around the planet talk about serpent beings (or in the case of Judeo-Christian scriptures like Genesis chapter 3 and Revelation chapter 12, serpent beings possessed by 'demons' or through which demons are able to or allowed to incarnate'. - Branton) What do you think, Alex?

AC: Well, I think that's pretty much what the bottom line is. Also, they talk about the rapture...

DA: It could be like an alien 'thanksgiving'.

AC: These people that have done all this research and are part of the underground government are telling that the humans on this planet have been at war with these reptilian aliens for thousands of years. At one point, things got so hot on the planet, like it is now, aliens took on this holographic image and infiltrated the human race in order to take it over and undermine it, just like this New World Order is doing right now. They're saying that the same thing happened to civilization on Earth before, and that the humans before actually had the capability for interplanetary travel, and that it was so bad here with the reptilians that they had to leave... What they are also saying is that these beings that are human-looking that are visiting our planet, at this time, trying to inform people what is going on, and guide them, are actually OUR ANCESTORS THAT ESCAPED FROM EARTH before, when it was under reptilian domination.

DA: What is your take on these crop circles?

AC: Oh, the crop circles that are the real ones are a type of geometric language containing some kind of information. There was one that was a Mandelbrot fractal. How do you fake that? They say that there are a lot of crop circles going on in the United States, and that the government shuts the information off (or destroys the crop circles before the public can find them, others claim. - Branton) about their occurrence.

DA: Canada and Australia as well.

C: It seems that we are having an increase in these encounters and sightings.

AC: Things are escalating at an incredible rate. I think a lot of these movies in the media are trying to get us softened up for what they plan to unleash on us.

C: So, in just a matter of years, they plan to bring it out and bring people to that airport?

AC: You know, Reagan said more than once that the only thing that would bring people together would be some kind of "outside force".

DA: Exactly, I remember that. He said that several times.

AC: I went to South Florida a couple of weeks ago and interviewed a man who had done research for 30 years, and oddly enough, he tapped into some of the same information I had, in that our government has had round-winged, saucer-type technology, high mach speed aircraft since the 1920's, and that in 1952 they had over 500 of these aircraft hidden in secret bases. Now, if they had that in 1952, considering that military technology grows by 44 years for every year that goes by, what do you imagine they have now, 44 years later, after technology has advanced the equivalent of 1,936 years?

C: About two or three months ago, I went to do a business transaction with a fellow I have known for about two or three years, and one of his relatives had just died -- we were pretty close, and we got into a deep conversation about stuff, and he told me he worked in an underground military base in Colorado. I asked him what he did there, and he said that if he told me he'd have to kill me. I told him I didn't want to know. I was really shocked, and didn't know what to think of it, and then I heard this program. I want to know what your guest thinks about the Iron Mountain report the government did in the 1960's, and if that ties into the Nazis and the Americans [CIA] working together. Also, this would also explain George Washington's vision where this country was invaded from the East by a foreign power, and then when all hope seemed lost, the angels of God would come down and the nation would be saved. Anyway, I never could understand why angels of God would come down and fight with men to save a puny little country that has been around for only 200 years, but in this scenario, there seems to be some explanation here.

AC: Yes, the Iron Mountain report. The guy that claims to be the author of it now claims that it was nothing more than a joke, but for a joke, it seems to be following the time line to the hilt, so I think it was something that made its way out and they are trying to cover that up. Everything that was in that report is happening in great detail right now.

C: Do these reptilians bleed if they get shot?

DA: Has anybody ever killed one?

AC: Phil Schneider did. He killed several of them. When he was involved in cutting some tunnels at Dulce, he was lowered down a shaft and ended up in a nest of these things. He and some of his team were in there, and some of the Delta Force came in. They had a shootout with these aliens, and he killed a couple of them before they got a round off and shot him with some sort of laser weapon. He used to pull his shirt up and show me where they darned near blew a hole in his chest with whatever kind of laser weapon they were using.

DA: So they can be killed, then?

AC: Yes, if you have the drop on them. They die just like everyone else. They consist of mass just like we do.

C: It is interesting that high officials in the Clinton administration, like Cisneros, were deeply involved with the construction of this airport. Also, Pat Schroeder. All of a sudden, she's leaving office. It's like a lot of people who have been involved with this airport are leaving town. Also, there is a fellow by the name of Rodney Stich, who writes about the total corruption in the Denver area. Does this tie in with what you were talking about?

AC: Well, he is the one that wrote the book "Defrauding America". He said that they had a tape of a CIA agent paying off the mayor of Denver to get the airport built. There is just so much corruption. They are selling the good American people out. We have some of our own people selling the rest of population out for a few pieces of gold.

DA: What about Al Bielek and how what he is saying may relate to this?

AC: I met Al about a year ago.

DA: Who is Al Bielek?

AC: He claims to be one of the ones who jumped overboard off the Eldridge when it went into hyperspace during the Philadelphia Experiment. He actually traveled forward in time, and asked the people that he encountered there what happened in his future. At that time, he was given the information about the New World Order and that Denver was the location for the NWO Western Sector, and that Atlanta was supposed to be the control center for the Eastern Sector. Can it be that the fact that the Olympics is supposed to be in Atlanta is part of a scenario? All the highways in Atlanta have high-security monitoring cameras just like those seen in some of the underground areas at the Denver airport. These monitors are all over the interstate highway and on many of the streets in Atlanta. Last week, I was talking to a fellow who was actually working on the Olympic project, in terms of the main stadium, and he said that they're gearing up for the possibility of terrorist acts. Do they know something we don't know?

(Note: As for 'Denver' being the center of a New World Order control system in the west, we should realize that the future is not fully SET. It IS subject to change. There are, according to contactees, different 'parallel realities' that exist. The 3rd dimensional or 3rd density reality is the 'foundation' upon which all others exist. Other realities exist in 4th, 5th and other 'densities' wherein objects and events are somewhat more 'fluid' than in 3rd dimensional reality. Many who claim to have traveled in time state that while doing so they were out-of-phase somewhat with the people within the other time-zones. They could observe them yet were 'invisible' or in a phased-out state, in essence unable to 'interfere' to the point of changing 3rd dimensional past events. Others, involved in the Montauk project for instance, state that the 'futures' that they observed were of a quasi-reality or semi-dreamlike nature, as if 'future' reality was like wet

clay that had not yet 'set' and solidified into a CONCRETE reality. So if this is the case, then Denver does NOT necessarily have to be a New World Order control center, even though the 'thought forms', or what you might call 'reality blueprints', ARE being created by the secret government and are in the process of 'solidifying' as the future gets closer. However, ANY thought form can be destroyed and replaced BEFORE it solidifies into 3rd density concrete reality. Those living within the 3rd density event-flow have the POWER to determine the outcome of events through their connection to the eternal NOW, just as a large river has first priority over the smaller tributaries in determining the course of a river bed. So then we are living in an eternal NOW which is continually in the process of being converted from a FLUID thought form state and into CONCRETE material form state. Once 'set', an event cannot be undone. However if there is even a minimal amount of malleability left to the event, then that event can potentially be turned... for better or worse. - Branton)

DA: Maybe they want to go ahead and perpetrate something again. One thing after another. It's all part of their scenario. Let's take a call.

C: Yes, I would like to thank you and your guest for coming forward with this information. And, as unbelievable as it is for the audience, I personally have had first-hand experience with some of this stuff. Not so much with the reptilians, but when you talk about this technology base that the government is working with, my own encounters with this technology were basically terrifying, in that I didn't know what was going on. I got indoctrinated into some type of mind control program that was perpetrated on me. I was in the wrong place at the wrong time. It's amazing to me that this stuff is going on, and I know that it is frustrating to get people to wake up to this. I am a little nervous here. It runs a little deeper than just on a physical level of threat. I think a lot of this stuff is not just about suppressing our minds and will to resist the government. It's about getting our minds to the point to where we're so "droned down" that we have no chance of reconnecting with the source. I think this whole thing has to do with us on a soul level.

AC: That's right. That's what it's all about. It's the last great adventure to control the space between our ears and to eventually take over our souls. I also think that a lot of the people who have sold us out and are involved in this have no idea what the BIG picture is, because it is all so compartmentalized. This is a very demonic scenario that is going on here.

C: That is why I will spend the rest of my days trying to bring this to people's attention. My take on it is that if you don't make the cut when all of this comes to a climax, and they do achieve that ultimate control, your chances of reconnecting are delayed indefinitely.

AC: Well, you know, we have some beings that are waiting for people to ask, en masse, for help, and they are there, and they will help, but we have to ask for help, because they honor free will.

C: My previous experience was pretty nightmarish, but I did get through this, and my perspective on God is a gift.
