Hello [REDACTED]

I wasn't not assigned to any acknowledged programs, however I was exposed to something in CA while on TDY that was informed to never mention. My other experience was when I was 17 in Texas that really changed my life. But yes, I love what you guys are doing. Many more need to wake up.

Regards,
AC

Dear [REDACTED]

'Thanks for writing in.

Were you part of any Unacknowledged programs related to this issue while in the military?

There is now whistleblower protection if you wish to come forward.

Sincerely

I am so pleased and thankful for what your team is doing. I've believed that "others" existed since 1987. Incredible story, however I've always been reluctant to share it. I am also an USAF veteran and served in various capacities during my career that secured my beliefs even further. I've added you to my "have a cold one with" list of toured even in WI area love to sit and swap stories.

Have a successful day, stay safe.
