

Digna. 1999 army ft. Benning then others. Ft. Irwin California base. Tactical operations command center. Took over live fire center for desert warfare. Looked like Baghdad 2000-2001 there. During transition from Bush to Clinton. Once president Clinton was there during live fire. After he left he was given a sponsorship by unknown person. Career being corralled. Said he was tracked for general. Then big muscular military bearing with Raytheon red emblem in brown cammos. The minute Bush signed into office notified were going to war with Iraq. Just finished Project Capstone exercises. During rotation 00-8? Year 2000. Towards end of rotation tanks dug in waiting for our artillery to attack. Got call from observer controller to cease fire. Whispering. "We have lights above the range. " looked over to 2 Raytheon people. Went to Air Force doors nobody answered. Magnetically charged. Digna wanted to be sure his men were safe. No safe if birds in the air Gregor and Mike were Raytheon men. In bunker entire time. Monitoring targetry. Showed up every

Exited dragons den (army side) to Eagles Nest (Air Force side). Went on observation deck on a hill / side of the mountain. Small gravel road. There's a lake bed. Mojave desert. Grabbed night vision bag. Raytheon guy said no. But he snuck night vision in. Observed 7 lights V formation. There for him to see. Few hundred yard away. No air intakes. One single triangle toward back. Low illumination no moon. White-as sun lights Pulsed deep frequency thump thump sound. Saw front end of craft. To side of craft was another craft size maybe of F16. V shaped. No windows seen. Hovering silent. Gimbal system with projection of hologram of other craft. Went back to building Air Force doors still locked. Went to log wrote picture of triangle craft in log. On observation deck 5-7 minutes. Craft still there when they went back in. Totally fixed in space. Could hit it with a baseball. Did not have access to radar. This was not Dark Star thruster craft or B2 or F 117 etc. After incident nobody spoke about it. In command saw camera and hand signaled to it that I know we have better. Crank it up. Next weekend off base on a road

area and saw very bright light out of canyon behind him. Mimicked speed of his car and imitated track. Car power failed ran off road. Suddenly back on road then in brilliantly lit car. Desert floor lit like day. Jumped out of car saw craft. 26 feet long Slightly bigger than grand Am car. Looked like an arrowhead. Felt low frequency sound like MRI inside and feel it. Faster rhythm than previous one. At front bumper. Touched it. At Tip of craft at Pontiac emblem Wife ran and she was frozen in place. In stasis On one foot. Frozen. No windows. Craft like black onyx glass. Light was pink bluish white. As he began to touch it jerked back like a live animal. Small area powered down. Then he could touch it. Brushed hand across it. Felt like temperature of the air. Smooth one direction but brought hand back it felt like sharks skin Then top layer Liquid Metal skin with magnetic particles shavings lifted off and craft made sound like purring of cat. Seemed sentient and alive. Saw latticework underneath. Started having tiger stripes cammo like liquid. Showed him capabilities. Like an LCD skin. I was in a pinkish blue

Some giant invisible craft came in took up entire sky. Got message you were not supposed to see THAT. Saw human in sky. Frequency pulse went faster. Craft went up. Saw rectangular space cut out area. Quick attachment spots for equipment. May have lifted up. Ended up in big hanger bay. He and wife on tables. Storm troop armor. Human standing there at hip level. Woman. Red hair. Blue eyes. After this given standby status. Busted for smoking a Joint. Foreign ambassador for NATO for queen of England had him at his home. They told him at SHAPE HQ TS level 4 presidential level. Some vetting process. Military liaison handler kept getting him drunk. Ambassadors son his age introduced him to a female. Wife was pregnant. Had blackout. Woke up In Ambassadors floor. Stated 911 was false flag. Was venting. Heard he blew his clearance. Started spewing things to discredit himself. Got courtmarshalled. Not about the marijuana. Told black listed
