WHO KNOWS END RESULT BUT I MET AND TALKED BRIEFLY WITH MAN WHO ALSO BUILT SATELLITE SYSTEMS BACK BEFORE ANYONE KNEW WE EVEN HAD SUCH. HE WAS ON HIS WAY OUT OF THIS AREA. SAID HE WOULD SEND ME PHOTOS OF SOME OF THESE AIRCRAFT THEY TOOK ON CONSTRUCTION SITES WHICH HAD AIRCRAFT PARKED IN BACKGROUND. SAID MOSTLY SILHOUETTE BUT NO QUESTION WHAT THEY WERE.

HE CALLED THEM "FLYING SAUCERS" AND SAID THAT CREW HE WAS WORKING WITH WERE ON UTTER TOP SECRET SURVEILLANCE FACILITIES FOR NEW SATELLITE SYSTEM. HE KNEW ABOUT VTOL DISCS ALSO. SO - PLEASE SEND ME ANOTHER COUPLE OF COPIES OF THESE LATEST ILLUSTRATIONS AND I WILL RECONTACT HIM AS SOON AS HE GETS BACK TO HIS OTHER HOME IN TEXAS. SAID HE WOULD SEND SOME PHOTOS HE HAD. OK TO DONATE TO WYO BUT NOT HIS NAME. SAID HE DOUBTED IF ANY PHOTOS RELEASED WOULD HAPPEN BEFORE ANOTHER 10-25 YRS. I HAVEN'T RECONTACTED HIM YET. HE DIDN'T THINK THEY WERE DECLASSIFIED YET.

I WON'T RELEASE HIS NAME ADDRESS UNTIL I KNOW FOR CERTAIN WHAT HE HAS.

(HE EVIDENTALLY STARTED IN APPROX 1949)
