Letters, Air Force Magazine

I request the following letter be placed in your magazine.

The American Heritage Center at the University of Wyoming Aircraft Archives is seeking for student research, data and photos from former pilots, air and ground crew, crash, scrapping and FLITAFF chase crews regarding recently declassified "Special Project" X and Y horizontal take off, drone, and V.T.O.L. jet disc. "These aircraft were sometimes reported as UFO Flying Saucers by media in 1947. Espeically during 1945 to 67 time period. If not aware of declassification see Internet Web site <http://207.41.8.7/silverbug> concerning about 2300 mph V.T.O.L. jet disc aircraft developed over 42 years ago. Preserve your experiences for posterity. Send to: [REDACTED] 24, [REDACTED]

PROJECT "X"
PROJECT "Y" } TWO DECLASSIFIED
RE PROJECT SILVERBUG

AIR FORCE DENIED
USE OF TERM FLITAFF?
EVEN THOUGH VISIBLY PAINT OVER OF
WACO, TX HANGER. STANDS FOR,
FIGHTER-LONG RANGE INTERCEPTER - TACTICAL
