I hope things are going well. Enclosed, please find my revised drawing, and a few pages from the 1965 MacDill AFB publication. If I run across any solid information or photos, you will be the first to know.

Thank you

GREAT! I suggest just a few final
CHANGES BEFORE YOU BUILD MODEL of 108' DISC. - ENCLOSED.
AND

I MIGHT SUGGEST CHANGE IN YOUR CAPTION
SOMETHING LIKE — "ULTRA TOP SECRET ^{USAF} JET FLYING
WING DISC" — "BOLD" AS YOU NOW HAVE IT,
THEN — SLIGHTLY SMALLER, END WITH —
STILL STATIONED AT MACDILL AFB - 1967!
