

25 JAN 03

From: [REDACTED]

SHORT AND TO THE POINT, MIKE. (AGAIN NECESSARY)

I SIMPLY DO NOT BELIEVE THAT YOU ARE ANY CLOSER TO SUCCEED IN YOUR SEARCH THAN WHEN YOU STARTED. YES, YOU HAVE OBTAINED SOME INFORMATION BUT MOST OF THAT I HAD ALREADY FOUND MANY YEARS AGO.

AS RESULT OF SOME CONVERSATION WITH ME, YOU HAVE ALSO MADE A SERIOUS MISTAKE, MANY TIMES, BY LATER MISCONSTRUCTING WHAT I MENTIONED IN THOSE CONVERSATIONS AND IN FACT HAVE CHANGED SOME OF IT INTO GROSS ERRORS BASED ON YOUR OWN CONCLUSIONS AND YOUR OWN INTERPRETATION OF WHAT YOU THOUGHT I SAID, MANY, MANY TIMES!!

FRANKLY, YOU ARE SEEMINGLY GRASPING FOR STRAWS IN YOUR FERVENT DESIRE TO FIND FACTS OF REALITY ABOUT THESE AIRCRAFT.

REITERATING - YOU ARE RESEARCHING THE ENTIRELY WRONG AIRCRAFT AND ARE TRYING TO MAKE IT FIT YOUR SUPPOSITIONS. THE AIRCRAFT YOU NEED TO FOCUS ON IS THE ONE WHICH WAS SEEN AND IDENTIFIED IN FORMATION FLIGHT BY THE MEDIA AS FLYING SAUCERS. IT WAS ONLY APPROX 35-40' DISC, SINGLE PILOT, TWO SETS, TRICYCLE LANDING GEAR ONE WHEEL EACH. AND - YOU CONTINUE TO MIX UP HISTORY ABOUT EARLY DESIGNS AND TESTS. (OVER)

2.

REMEMBER, I'VE TRIED TO CALL YOUR ATTENTION WHEN YOU'VE GOTTEN OFF THE TRACK OF THE REALITY OF THESE AIRCRAFT, TO THAT SITUATION, AND, I UNDERSTAND ABOUT YOUR INTENSE DESIRE TO SUCCEED. I DON'T BELIEVE YOU EVEN CAN SUCCEED AS LONG AS YOU KEEP SUBSTITUTING/CHANGING THAT WHICH I TRY TO INFORM YOU ABOUT THESE AIRCRAFT, ESPECIALLY WHEN YOU INFORM OTHERS WRONGLY ABOUT WHAT I TOLD YOU, AND - YOU ARE LITERALLY SPINNING YOUR WHEELS, AND WASTING TIME TOTALLY, IN MY OPINION, BY TRYING TO CONTACT ANY OTHER THAN THE TOP- TOP MILITARY AGENCY ~~FAIR FORCE~~. NO ONE ELSE HAS ANY OF THE INFORMATION YOU SEEK. NO ONE!! IT IS HIDDEN BETTER THAN WAS THE MANHATTAN PROJECT! YOU WILL ONLY GET THE SAME BASIC/POLITE ANSWERS ABOUT NOTHING YOU GET AFTER EVERY SUCH INQUIRY,

CAN YOU GET A ROUGH DRAFT OF WHAT "WILSON'S" STORY IN 'POPULAR MECHANICS' MIGHT BE? IF NOT, I THINK YOU ARE GOING TO BE SURPRISINGLY AMAZED ABOUT THAT PROJECT AND THOSE PARTICULAR FLYING JET DISC AIRCRAFT ERRORS, MISQUOTES, WRONG WRONG WRONG AS IT WILL BE PUBLISHED. I SINCERELY HOPE MY NAME IS NOT USED IN GROSS ERROR AGAIN. PLEASE INSIST THEY QUOTE YOU - NOT ME! REGARDS ANYWAY,
