— HELLO AGAIN, —

IF YOU GOT A TAPE OF YOUR RADIO INTERVIEW, I WOULD
SURE LIKE TO HEAR IT. OK?

NOT MUCH NEW HERE. NOTHING CONCERNING THOSE
AIRCRAFT EXCEPT THE HISTORY CHANNEL LAST WEEK HAD A SERIES
OF PROGRAMS ABOUT AIRCRAFT DEVELOPMENT, ESPECIALLY AT
WHITE SANDS, N. MEX WHERE WE TOOK A BUNCH OF THOSE GERMANS
AFTER WWII. VERY BRIEFLY THE PROGRAM MENTIONED SOME
SUPPOSEDLY SECRET (AT THE TIME) DIFFERENT DESIGNS THEY WERE
TESTING THERE. ONE EXCEEDINGLY BRIEF FILM (TAPE) OF A JET
FLYING WING IN FLIGHT, AT A DISTANCE, WHICH APPEARED VERY MUCH
LIKE THAT 40' DISC AND EVEN HAD AN UPRIGHT TAIL AT THE
REAR EDGE OF THE AIRCRAFT BEING SHOWN. PILOT COMPARTMENT
IN MIDDLE TOO. PERFECT CIRCULAR SHAPED AIRCRAFT, BUT
NOTHING WAS SAID ABOUT IT AT ALL. MENTIONED THE AIRCRAFT
BEING SHOWN WERE FROM GERMAN TYPES OF WWII.

AT LEAST A FEW SUCH TAPES ARE FINALLY BEING SEEN ON
TV BUT OF COURSE NOTHING NEW SAID OR EVEN MENTIONED.

REGARDS

P.S. THIS PROGRAM WAS THE FIRST
I'VE EVER SEEN AS BROADCAST. QUITE A FEW REPEATS OF
PROGRAMS ABOUT "FLYING SAUCERS" HAVE BEEN BROADCAST AGAIN RECENTLY.
