

01 FEB 03 MEMO;

~~SECRET~~ ——— ^{TV} DURING COVERAGE ON SPACE SHUTTLE DISASTER I HEARD 'NASA' REPORT THAT RECENT UPGRADE INTENDED TO EXTEND USE OF THESE PRESENT SHUTTLES FOR AT LEAST ANOTHER 20 YEARS, (I SUPPOSE "GOLDIN" RETIRED SOMETIME AGO?) IF SO, THERE EVIDENTALLY IS NOTHING MUCH GOING ON IN NEW SPACE SHUTTLES ABLE TO TAKE OFF HORIZONTALLY AND SWITCH INTO SPACE THEN LAND BACK ANY PLACE SUCH AS PERHAPS FIELD AT SAVANNAH GA. I REMEMBERED ~~CAROL~~ COMMENT OF OIC ABOUT NO DISCS EVER BEING SEEN AGAIN UNTIL THEY WERE REDESIGNED AS 'SPACE CRAFT'. I DID SEE A "DISC", BROADCAST IN CLOSING SEGMENT WITH 'WILSON' OF 'POPULAR MECH.' OF HISTORY CHANNEL 'ROSWELL' REPORT WHICH DID HAVE SOME NEWER STUFF CONTAINED IN THIS LAST VIDEO LAST NIGHT (1-31-03). EVIDENTALLY IN FLIGHT WITH USAF ID. NO DATE. NO LANDING GEAR ON TAIL VISIBLE BUT CERTAINLY A NEW INCLUSION IN THOSE TV PROGRAMS AND A REAL DISC SET!!

HOWEVER, EVEN WITH THIS NEW 'DISC' SHOWN, I THINK IT'S HIGHLY PROBABLE THAT IF 20 MORE YEARS USE OF PRESENT SHUTTLE IS FACTUAL IT WILL BE AT LEAST THAT MUCH LONGER BEFORE ANY OFFICIAL RELEASE OF DATA OR PHOTOS WILL EVEN BE OBTAINED BY YOU OR ANYONE ELSE ON THE DISCS, MENTION WAS AGAIN MADE LAST NIGHT IN HISTORY CHAN, PROGRAM, THAT "SECRECY EXCEEDED THAT OF THE ~~AT~~ ~~THE~~ NUCLEAR BOMB PROJECTS." — 0
