National Investigations Committee
on Aerial Phenomena
Major Donald E. Keyhoe, Director
1535 Connecticut Avenue
Washington 6, D. C.

Dear Major Keyhoe:

In response to your letter of
22 September 1958, we have referred it
to Major Tucker, Office of Information
Services, United States Air Force.

I believe the Air Force is the
executive agency and perhaps the only
government agency qualified to speak
on the subject of unidentified flying
objects.

Sincerely yours,

J. S. Earman
Executive Officer
