

Steve:

Thanks for the call the other day. I hope we can work together. I think Tom Sevier is definitely someone you need on board - I'm handling it with kid gloves at this point. I'll get his number to you soon. I talked to him as soon as we hung up the other day. He told me he'd been talking with his half-brother - a retired USAF general - who worked at Wallops in the '40s & '50s - and the guy told him they scrambled after so many UFOs - and fired upon them - that they lost track. Sounds a little too perfect, I know, but you be the judge.

Anyway, the enclosed will give you an idea of where I'm coming from. I submitted this little self-indulgence to Omni in Greensboro but I guess it musta pretty well repelled them because I can't get 'em to come to the phone. C'est la vie. We'll talk soon. Thank.

Regards,
B. X
