Extraterrestrial Intelligence

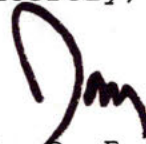

Dear Steven,

Thank you for your letter inviting me to attend your briefing on
UFOs/Extraterrestrial Intelligence on Wednesday, April 9.

I appreciate your contacting me in this regard; however, I regret
that it will not be possible for me to arrange my schedule to
participate. I wish you much success with your event and will
pass the invitation on to the appropriate staff person in my
office.

Again, thank you for the invitation.

Sincerely,
