Dear Steven and

Enclosed is the presentation I intend to deliver to Mr. Trump at the Convention.

Please advise of any changes or additions.

Your letter is quite excellent and stunning.

I plan to add links to Sirius movie, the Unacknowledged trailer and National Press Club conference and Expose of the National Security State from the Sirius Youtube channel.

Along with the witness DVD, I've enclosed a ScanDisk with all documents in this briefing and on the DVD.

Looking forward to our future projects where I may provide a meaningful role.

Thank you for the opportunity to do so.
