CSETI

COMPREHENSIVE ASSESSMENT

◆ General Conclusions

- ◆ UFOs: some piloted by EBEs
- ◆ Consortium of Multiple ETI civilizations
- ◆ Bases: Earth's Solar System & terrestrial
- ◆ Contact: EBE plan for gradual increase
- ◆ Large Scale Contact: earth crisis only
- ◆ EBE interests: nuclear programs, war, & humans' transition to world peace
- ◆ Technology: Guarded (EBEs & humans)

Comprehensive Assessment (cont.)

- ◆ **Large Scale Contact:** earth crisis only
- ◆ **EBE interests:** nuclear programs, war, & humans' transition to world peace
- ◆ **Technology:** Guarded by EBEs & humans
- ◆ **Extragovernmental Special Access Program (SAP)**

Comprehensive Assessment (cont.)

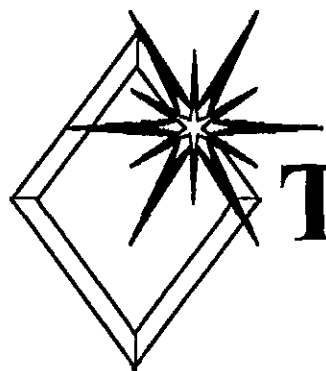

◆ SAP Justification:

- ◆ 1940's & 50's: control Public panic
- ◆ Military: technology applications
- ◆ Possible Threat: ETI motives unclear
- ◆ Unexplained paranormal
[high strangeness] phenomena
- ◆ Inertia of covert programs
 - *Technology + Economics*

UFO/ETI National Security Implications

- ◆ Historical Background
 - ◆ 1940-1960: Concern for Public Panic
 - ◆ Covert, Extragovernmental Management
- ◆ *Risks of USAPS in a Democracy*
Are UFOs/EBEs/ETI Hostile?
- ◆ Recent U.S. Govt. Responses
- ◆ Technological Benefits
- ◆ World Unity & Peace

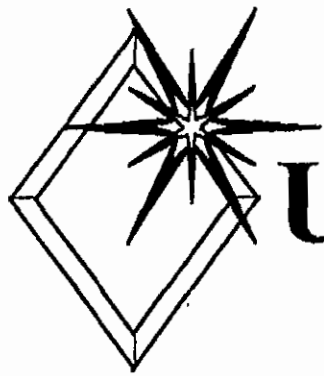

The Question: *EBE Intent?*

- ◆ **Reconnaissance:** Earth & solar system
- ◆ **Assessment:** military & related nuclear & space activities (limit space activities)
- ◆ **Study & observation:**
 - ◆ Human society, reproduction, psychology, technology
 - ◆ Earth ecology, geology, (earthquakes volcanoes)
- ◆ **Interaction:** convey info./familiarize humans w/ EBEs

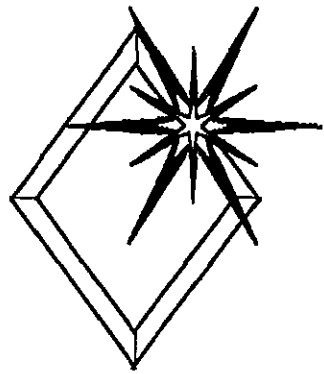

Ultimate Motives

- ◆ **Pure research:** human transition to world society
- ◆ **Preparation:** future EBE/Human interaction
- ◆ **Preparation:** intervention in human-initiated world emergency (war, technological disaster)
- ◆ **Emergency intervention:** environmental or geologic catastrophe
- ◆ **Preservation:** of earth species

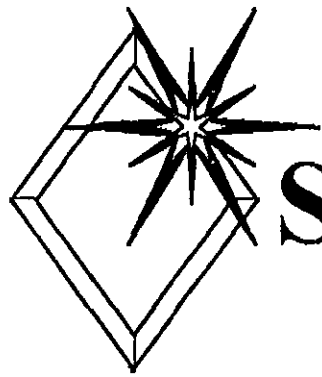

Ultimate Objectives (cont.)

- ◆ Protection of space from human national interests
- ◆ ETI self-protective interests
- ◆ ETI facilitation of human paradigm shift to unity of science, religion, and universal consciousness
- ◆ Preservation & advancement of intelligent life in the Universe
