Re: Washington, DC Briefing

Dear Astronaut Cooper,

We are convening a gathering of select former government, military, intelligence and astronaut UFO witnesses in Washington , April 8-11. The attached draft memo describes this event's rationale, purposes and objectives.

Astronaut Ed Mitchell and members of Congress will be in attendance, as well as other relevant government officials. We feel that your testimony is very important, and would like to invite you to this event. I apologize for not being able to speak to you personally about this, but I have tried to call and there has been no answer at the [REDACTED] number. Please let me know if this number is incorrect.

My fax number is : [REDACTED] Home office phone: [REDACTED]; email: [REDACTED]

We very much would like to have you participate in this historic meeting, and would like to speak to you at your earliest convenience. Please let me know by phone, fax or email when a good time would be for us to discuss this.

Respectfully,

Steven M. Greer M.D.
Director of CSETI
