

*Mind Control*

Re: "Steven M. Greer M.D." Dr. ET

Re: [EWAR] Navy scientist reveals Soviet mind-control radiation

> [REDACTED] as a senior Navy scientist at the Naval Surface Weapons Center  
> involved in developing electromagnetic devices for "riot control, clandestine  
> operations and hostage removal," according to Anna Keeler in Remote Mind  
> Control Technology. He was the contract manager for some of the research that  
> mind-control researcher Michael Persinger did on "neuro-impacts" of various  
> EMFs and ELF's, according to [REDACTED]. (See  
> [REDACTED])

> He has just posted the following to a private list (I have permission to  
> forward posts made to that list). His comment on 10 Hz radiation is  
> noteworthy.  
> 10 Hz is the universal tremor reflex frequency and the resonant frequency of  
> the Earth (not to be confused with the Schumann resonance at 7.3, which is  
> the  
> resonant frequency of the Earth-Ionosphere system--ignore the constant  
> mis/disinfo on the Art Bell show). 10 Hz has powerful entrainment effects.  
> Note  
> that the Russian Woodpecker signal radiated towards the U.S. (I monitored  
> it on  
> shortwave radios in the 70s and confirmed this fact myself) was modulated  
> by 10  
> Hz signals.  
>  
> To my knowledge, the following is the first public release of this  
> information  
> on apparent Russian mind control warfare. - WT
