1. Forwarded herewith is a consolidated report of CIA-sponsored or otherwise supported book publishing for Fiscal Years 1964, 1965, 1966 and 1967. This report incorporates new data for the second half of FY 67 with data contained in previous book publishing reports.

2. Tab "A" shows the figures for books published by in Fiscal Years 1964 through 1967. It also gives figures for books in progress or to be published.

3. Tab "B" lists new books published during the second half of FY 67.

Tab "C" is the consolidated list, now containing titles, arranged alphabetically by author (or by title if no author is given), together with a brief description of each book if the title is not self-explanatory, the language(s) in which each has been published and the responsible headquarters unit. Additional information on the more recently published titles reflects expanded reporting during FY 66 and FY 67 covering the area of distribution, the number of copies of each book published or bulk purchased, and the project to which each is charged.

5. Tab "D" is an index of titles grouped by languages; Tab "E" is a subject index; all books published are listed in these two indexes.

6. Tab "F" lists alphabetically by author (or title) books in progress or planned for FY 68. Planned publication dates are given where available. Titles appearing in Tab "F" have not been included in either the subject or the language index.

7. Recipients interested in further details may consult either with this office or with the headquarters unit responsible for the book as indicated
