Hi Steve

The below email is CONFIDENTIAL but I am sharing it with you privately, as my first loyalty is with you always Steve in regards to disclosure efforts.

Steve Bassett responded to my two questions about the event below to give you some extra insight about it.

You might note his comment about contretemps with Carol Rosin because she has been saying to everyone I am a betrayer not to be trusted and that I am CIA etc. after I cut off all association with her. A long story but you already knew things are not quite right with Carol, unfortunately.

I am still undecided whether or not to be involved at this time.

Kind regards to you and your family
Dan
