With the beginning of the new year, I am happy to send along the enclosed check for \$20,000 payable to CSETI. As you recall in Mr. Rockefeller's letter of December 5, this is a renewal of the gift made in January 1994, and completes his pledge to CSETI for 1995.

Much luck in continuing your study of extraterrestrial evidence.

Sincerely,

[REDACTED]

Steven M. Greer
