Dear Steven,

Mr. Rockefeller appreciates your keeping him informed on the work of CSETI and for inviting him and Mr. Henry Diamond to attend a private briefing in Los Angeles on February 12th.

Unfortunately, both Mr. Rockefeller and Mr. Diamond are unable to attend the special meeting next month due to conflicts in schedules. However, they remain interested in the activities of CSETI and look forward to being kept informed.

Please be assured of our best wishes.

Sincerely,

Steven M. Greer, M.D.
